Before LOKEN, BYE, and BENTON, Circuit Judges.

PER CURIAM.

Samuel E. Haley, Jr. appeals following the district court's<sup>1</sup> adverse grant of summary judgment in his 42 U.S.C. § 1983 action. Having conducted careful review of Haley's assertions of error, we find that there is no basis for reversal, and that an extended opinion is unwarranted. The judgment of the district court is affirmed, see 8th Cir. R. 47B, and Haley's two pending motions are denied.
