Appeal from United States District Court
for the District of Nebraska - Omaha

Submitted: January 11, 2019
Filed: January 23, 2019
[Unpublished]

Before BENTON, BOWMAN, and STRAS, Circuit Judges.

PER CURIAM.

Nebraska inmate Brian Frank Guerry appeals from the order of the District Court¹ granting summary judgment to defendants in his 42 U.S.C. § 1983 action. We agree with the court's thorough and well-reasoned analysis rejecting Guerry's Eighth Amendment claims. See Peterson v. Kopp, 754 F.3d 594, 598 (8th Cir. 2014) (standard of review). Guerry also challenges other court rulings, but his arguments provide no basis for reversal. We affirm the judgment of the District Court.

¹The Honorable Richard G. Kopf, United States District Judge for the District of Nebraska.
