Appeals from United States District Court
for the Southern District of Iowa - Des Moines

Submitted: July 1, 2019
Filed: July 5, 2019
[Unpublished]

Before LOKEN, GRUENDER, and ERICKSON, Circuit Judges.

PER CURIAM.

In these consolidated appeals, Christopher and Elizabeth Bruce appeal the district court's¹ adverse judgments in their 42 U.S.C. § 1983 actions. After careful de novo review, we find no error in the district court's well-reasoned decisions. See Montin v. Moore, 846 F.3d 289, 292 (8th Cir. 2017) (de novo review of Fed. R. Civ. P. 12(b)(6) dismissal); Johnson v. Blaukat, 453 F.3d 1108, 1112 (8th Cir. 2006)

¹The Honorable Rebecca Ebinger, United States District Judge for the Southern District of Iowa.

(de novo review of grant of summary judgment); Moore v. Sims, 200 F.3d 1170, 1171 (8th Cir. 2000) (per curiam) (de novo review of dismissal under 28 U.S.C. § 1915(e)(2)(B)(ii)). We also find no judicial bias or denial of due process in the district court's decisions. See United States v. Oaks, 606 F.3d 530, 537 (8th Cir. 2010) (adverse rulings do not establish bias); Christiansen v. Clarke, 147 F.3d 655, 657-58 (8th Cir. 1998) (dismissal under § 1915(e)(2)(B)(ii) does not violate litigant's due process rights).

Accordingly, we affirm the judgment. See 8th Cir. R. 47B. We also deny the Bruces' motion to supplement the record.
