

United States Court of Appeals
For the Eighth Circuit

No. 25-2935

United States of America

Plaintiff - Appellee

v.

Christian Archer

Defendant - Appellant

Appeal from United States District Court
for the Western District of Arkansas - Texarkana

Submitted: April 22, 2026

Filed: April 27, 2026

[Unpublished]

Before LOKEN, SMITH, and BENTON, Circuit Judges.

PER CURIAM.

Christian Archer appeals the district court's¹ denial of his motion for a sentence reduction pursuant to § 603(b) of the First Step Act and 18 U.S.C. § 3582(c)(1)(A). Upon careful review, we conclude that the district court did not err in finding that Archer failed to establish extraordinary and compelling reasons warranting a sentence reduction. See United States v. Rodd, 966 F.3d 740, 746 (8th Cir. 2020) (standard of review).

Accordingly, we grant counsel's motion to withdraw, deny Archer's pending motion, and affirm.

¹The Honorable Susan O. Hickey, United States District Judge for the Western District of Arkansas, adopting the report and recommendations of the Honorable Barry A. Bryant, United States Magistrate Judge for the Western District of Arkansas, now retired.
