9 RUBEN BARELA, CASE NO. 1:08-cv-01630-GSA PC
10 Plaintiff, ORDER DIRECTING CLERK OF THE COURT
11 v. TO REDESIGNATE CASE AS A REGULAR
12 DERMOT GIVENS, CIVIL ACTION
13 Defendant.
14

15 On October 27, 2008, Plaintiff Ruben Barela filed the complaint upon which this action
16 proceeds. The Clerk of the Court incorrectly designated the action as one involving a prisoner
17 litigating the conditions of his confinement at a California state prison. Upon further review by the
18 Court, it has been determined that the present action does not involve conditions of confinement.
19 Therefore, the Clerk of the Court is DIRECTED to change the designation of the present case to
20 reflect that of a regular civil action.
