AUTHENTICATED U.S. GOVERNMENT INFORMATION GPO

IT IS HEREBY STIPULATED, by and between defendants CHANNEL STAR EXCURSIONS, INC., BRIAN GERHART, individually and as a principal of CHANNEL STAR EXCURSIONS, INC., by and through their designated counsel of record herein, Gibson Robb & Lindh, LLP, third-party defendant CITY OF SACRAMENTO by and through its counsel of record herein David S. Womack of the City of Sacramento City Attorney's Office, and the successors interest to plaintiff WAVERLY WALTON, SR., by and through their designated counsel of record herein, The Lawson Law Offices. The discovery cut-off in this matter was originally set for March 5, 2007 and the expert witness disclosure as well as last day for filing dispositive motions is currently set for April 5, 2007. The current trial date is December 5, 2007.

In light of the death of plaintiff Waverly Walton, Sr., in September of 2006, discovery in this case was unable to proceed until the proper parties were substituted into the case by way of a motion which was brought by counsel for Waverly Walton, Sr., in December 2006. The court did not rule on the motion until March 9, 2007. Because no party had been substituted for Mr. Walton at that time, the parties were unable to engage in any discovery. In light of this six month delay, the parties desire to reopen and continue the discovery cut-off, expert disclosure dates and dispositive motion filing dates to allow the parties to adequately prepare the case for settlement discussions, meditation and trial. Accordingly, the parties hereby stipulate that the discovery cut-off is continued to July 20, 2007, the expert disclosure is continued until August 24, 2007, and the last day to file dispositive motions will be August 24, 2007. The parties have no objection to the December 5, 2007 trial date remaining on calender.

IT IS SO STIPULATED.
