**STIPULATION OF THE PARTIES FOR  
AN ORDER CONTINUING THE  
PRETRIAL CONFERENCE DATE FOR 7 –  
14 DAYS: (LR 143, 144)**

Hon. John A. Mendez

The Parties, Plaintiff The United States Life Insurance Company in the City of New York ("Plaintiff"), and Defendant Peter Sfakianos, M.D. ("Defendant"), through their attorneys of record, hereby request that this Court continue the pretrial conference for 7 – 14 days for good cause as follows:

The pretrial conference in this matter is currently set for May 3, 2013. U.S. Life has undertaken a review of Defendant's residual disability claim. It was anticipated that the review would be completed by this time. However, it has come to the attention of counsel for Plaintiff that the information provided to U.S. Life following the Court's ruling on the summary judgment motion was not transmitted to U.S. Life's Claims Department until two weeks prior to the filing of this stipulation. In addition, DRMS, the claims administrator who adjudicated the 2006 claim is no longer performing claims administration for U.S. Life and new analysts are now involved. At present, U.S. Life has not completed its review and anticipates needing an additional 7 – 14 days to review the residual disability claim.

In view of the foregoing, the Parties hereby submit this stipulation for an order continuing the pretrial conference for 7 – 14 days as best accommodates this Court in order for U.S. Life to complete the review of the residual disability claim.
