UNITED STATES DISTRICT COURT

FOR THE EASTERN DISTRICT OF CALIFORNIA

DENIKA TERRY, et al., Plaintiffs, v. WASATCH ADVANTAGE GROUP, et al., Defendants.	No. 2:15-cv-0799 KJM DB ORDER

On January 20, 2023, plaintiffs filed a motion to compel and noticed the motion for hearing before the undersigned on January 27, 2023, pursuant to Local Rules 251(e) and 302(c)(1). Plaintiffs' motion seeks production of defendants' relevant insurance agreements prior to the parties' settlement conference set for March 7, 2023. (ECF No. 284-1 at 3.) Defendants do not object to the request, stating that they "are actively gathering all potentially responsive insurance policies and intend to produce them." (Id. at 8.) Defendants do not provide an anticipated production date but "have no intention of withholding any potentially applicable insurance policy." (Id.)

In light of defendants' representations, the undersigned anticipates that the parties' dispute will be resolved well in advance of the March 7, 2023 settlement conference. Plaintiffs' motion to compel, therefore, be continued to allow for that resolution.
