2. The maps and other documents submitted in camera on May 15, 2020, are referred to the Special Master's Workgroup for further refinements, including

19 No. 3693, how many of those positions are actually filled, and whether the
20 filled positions are on-site or teleworking. The status of the Workgroup's
21 efforts will be placed on the agenda for the May 29, 2020 status conference,
22 for a report on whether the addition can be completed on or before the next
23 status conference thereafter set for June 12, 2020, and then filed with the
