No. 2:90-cv-0520 KJM DB P

ORDER

18 On April 25, 2019, the court received the neutral expert's monthly invoice for
19 services rendered through March 31, 2019. In accordance with the district court's January 8,
20 2019 order, ECF No. 6064 at 5, the court reviewed the invoice. On April 29, 2019, at the
21 direction of the court, the courtroom deputy to the undersigned sent an email to the neutral expert
22 requesting "an itemization for the services rendered in connection with the \$15,950.00 charge
23 billed for outside services/consultants, including a description of the services rendered, by whom
24 they were provided, the total hours spent, and the hourly rate billed." The neutral expert
25 submitted the requested information on the same day.

26 Following review of the additional information, on April 30, 2019, the neutral
27 expert's proposed summary invoice was distributed to the parties. See ECF No. 6064 at 5. A
28

1 copy of that summary invoice is filed concurrently with this order, along with the detailed billing
2 summaries provided for the court's review, under seal.¹ Attachment A, Invoices dated March 12,
3 2019 and April 6, 2019 (filed under seal). On May 7, 2019, defendants submitted objections to
4 the proposed final invoice. *See* Attachment B, May 7, 2019 Letter from Supervising Deputy
5 Attorney General Adriano Hrvatin to Honorable Deborah Barnes. On May 10, 2019, the neutral
6 expert responded to defendants' objections. *See* Attachment C, May 10, 2019 Letter from
7 Benjamin B. Wagner, Esq. to Honorable Deborah Barnes.

8 The court has reviewed defendants' objections and the neutral expert's response to
9 those objections. Defendants request that the court disclose all itemized billing records submitted
10 by the neutral expert now that his investigation is over. *See* Attachment B at 1. That request should
11 be directed to the district court. *Cf.* ECF No. 6083 at 4 (district court order holding, *inter alia*, that
12 "detailed billing statements [of the neutral expert] will be made a part of the record, filed under
13 seal, until the investigation is concluded, and so available for appellate review."). The neutral
14 expert has responded to defendants' specific billing item questions. *See* Attachment B at 1-2;
15 Attachment C at 1. Finally, defendants preserve "their objection to payment of this and future
16 invoices pending resolution of Defendants' pending motion requesting leave to deposit any
17 remaining funds deemed payable" to the neutral expert and they request "that this Court defer
18 ordering payment of the current invoice until the Court resolves Defendants' motion." Attachment
19 B at 2. The latter request is controlled by the district court's order denying defendants' request for
20 stay pending ruling on their motion, ECF No. 6121, and is denied.

21 Accordingly, good cause appearing, IT IS HEREBY ORDERED that:

- 22 1. The Clerk of the Court is directed to maintain Attachment A to this order under
23 seal until further order of court; and

1 2. Within ten business days from the date of this order defendants shall pay to the
2 neutral expert the amount of \$396,589.74 as reflected in the invoice for services rendered through
3 March 2019.

4 IT IS SO ORDERED.
