

1 PAUL ASMUS,

2 No. C 14-5418 CRB

3 Plaintiff,

4 **ORDER DENYING SUMMARY  
JUDGMENT**

5 v.

6 PEGASUS AVIATION SERVICES, et al.,

7 Defendants.

8 \_\_\_\_\_/

9 Plaintiff Paul Asmus brought this California whistleblower claim and companion  
10 wrongful termination claim against Defendants Pegasus Aviation Services and Akima LLC.  
11 See Compl. (dkt. 1). Defendants have moved for summary judgment on all claims. See  
12 Motion (dkt. 40). After reviewing the parties' submissions and relevant authorities, and for  
13 the reasons stated at the hearing, the Court concludes that Asmus has established genuine  
14 disputes of material fact on both his whistleblower and wrongful termination claims. The  
15 Court also finds a triable issue on whether Pegasus and Akima were Asmus's joint  
16 employers. The Court thus DENIES the motion for summary judgment on all claims.

17 **IT IS SO ORDERED.**
