10 [TENTATIVE] DISCOVERY ORDER

13 Re: Dkt. No. 157

16 The Court provides this tentative order to help the parties focus their arguments at the 1:00
17 p.m. hearing today.

18 * * *

19 The parties are at an impasse over search terms and custodians, and it is obvious that the
20 perfect has become the enemy of the good. The Court orders that StubHub may use the proposed
21 modified search terms contained in Exhibit B to the joint discovery letter brief. As for the four
22 remaining custodians in dispute, the Court has reviewed the numerous exhibits the parties have
23 provided with the joint discovery letter brief. Plaintiffs have sufficiently justified the inclusion of
Jonathan Hoeh and Justin Friedman as custodians. However, Nick Tuyau and Bryson McCleary
are not necessary as custodians, in particular because Jocelyn Hall and Mary Hill are already
included.

24 **IT IS SO ORDERED.**
