ORDER ON DEFENDANT’S UNOPPOSED MOTION TO CONTINUE

Before the Court is Defendant Gregory Alexander Twymon’s Unopposed Motion to Continue [Doc. 49] the hearing on the Government’s Motion in Limine scheduled for May 4, 2026,¹ and the jury trial scheduled for May 5, 2026, to the next available term before the Court. On June 10, 2025, the Grand Jury returned a four-count indictment charging Defendant with possession with intent to distribute methamphetamine, possession of a firearm in furtherance of a drug trafficking crime, possession of a firearm by a convicted felon, and possession of a firearm with an obliterated serial number. On October 14, 2025, Defendant was appointed counsel, pled not guilty at his initial appearance, and was ordered detained pending trial. On October 15, 2025, Defendant

filed his request for discovery.² This case has been continued once,³ and the Government does not oppose this request for an additional continuance.⁴

Defense counsel represents on May 1, 2026, the defense was served with additional discovery consisting of two cellular phone downloads, a written witness statement, and other discoverable evidence the Government intends to use at trial.⁵ Defense counsel represents the two cellular phone downloads will need to be reviewed by a forensic expert so that she can properly prepare a defense.⁶ Also, defense counsel anticipates that additional litigation and briefing will be required to address the admissibility of recently disclosed evidence.⁷

Having considered the matter, the Court finds it serves the ends of justice to grant Defendant's request. The ends of justice served by granting a continuance outweigh the interests of Defendant and the public in a speedy trial. Failure to grant a continuance would deny counsel reasonable time to address these matters and could result in a miscarriage of justice. Thus, the Court **GRANTS** Defendant's Unopposed Motion to Continue [Doc. 49], and **HEREBY ORDERS** that the hearing on the Government's Motion in Limine be continued to May 13, 2026, and the trial be continued until June 1, 2026, the undersigned's next regularly-scheduled term of court for the Macon Division. The delay
