CASE NO. 7:22-cv-4-WLS

POWER RESOURCE GROUP, LLC, :

Defendant, :

ORDER

Before the Court is Plaintiff Hurst Boiler & Welding Co., Inc.’s (“Hurst”) Motion to Confirm Arbitration Award (Doc. 44) (“Motion to Confirm”). The Defendant Power Resource Group, LLC, has not filed a timely response, and this matter is now ripe for decision. However, by Order (Doc. 46) entered June 25, 2025, the Court noted that Exhibit A, a true and accurate copy of the November 7, 2024 arbitration award (“Award”), was not attached to the Motion to Confirm. Further, a complete copy of the \$1,500,000 Promissory Note (“Note”), which is the subject of this litigation and is also referred to in the Motion to Confirm, is not in the Record.¹ Hurst was advised to immediately file copies of the Award and Note in the Record. To date, such documents have not been filed. (Doc. 46 at 1 n.1).

Accordingly, on or before **Monday, July 28, 2025**, Hurst shall file copies of the Award and Note in the Record.

SO ORDERED, this 22nd day of July 2025.
