SHANA VILLERE

CIVIL ACTION

VERSUS

NO. 24-708

SOCIAL SECURITY ADMINISTRATION

SECTION “O”

ORDER

Before the Court in this social-security case is the report and recommendation¹ of Magistrate Judge Roby. An administrative law judge (ALJ) denied Plaintiff Shana Villere’s application for disability insurance benefits.² Magistrate Judge Roby recommends that the Court reverse the ALJ’s denial and remand to the ALJ for further consideration because the ALJ did not adequately explain her consideration of the supportability and consistency factors in evaluating the medical-opinion evidence.³ No party objected to Magistrate Judge Roby’s report and recommendation.

Having considered Villere’s complaint,⁴ the record,⁵ the briefing,⁶ the law, Magistrate Judge Roby’s report and recommendation, and the failure of any party to object to the report and recommendation, the Court approves the report and recommendation and adopts the report and recommendation as the Court’s opinion.

³ ECF No. 11 at 4–12.

⁴ ECF No. 1.

⁵ ECF No. 7.

⁶ ECF Nos. 8, 9, 10.

Accordingly,

IT IS ORDERED that the ALJ's decision is **REVERSED** and the case is **REMANDED** for further proceedings consistent with this opinion.
