1167, & 1182]

ORDER APPROVING CONFIRMATION OF THE PLAN

On July 16, 2012, the First Amended Plan of Liquidation, as Modified on July 13, 2012 (the “First Amended Plan, as Modified”) [Docket No. 1167], and the related supplements (the “Plan Supplements”) [Docket Nos. 1129 and 1144]¹ filed by the Official Committee of Unsecured Creditors (the “UCC”) came for confirmation hearing (the “Confirmation Hearing”). As of that date, the only objection to confirmation pending was a joint objection (the “High Objection”) [Docket No. 1135] filed by three consumer creditors, one of whom was Jackie L. High (the “High Objectors”). At the hearing, the First Amended Plan was further modified, without objection, by the inclusion of a carve-out (the “Carve-Out,” collectively, with the First Amended Plan, as Modified and the Plan Supplements, the “Plan”).² [Docket No. 1182]. Now, incorporating the findings of facts and conclusions of law set forth in the contemporaneously entered Order Overruling the Objection to Confirmation of the Plan and Memorandum Opinion

¹ Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to such terms in the Plan. Any term used in the Plan or in this Order that is not defined in the Plan or in the Order, but that is used in the Bankruptcy Code or the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) shall have the meaning ascribed to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable.

² At the confirmation hearing, Mepco Financial Corporation (“Mepco”) represented for the first time that it would not enforce certain releases in the First Amended Plan, as Modified on July 13, 2012. Those releases are related to third-party claims that the High Objectors assert against Mepco. Mepco later also made representation in writing [Docket No. 1182].

in Support of Confirmation (the “Objection Order”)³; and adopting the facts established by the declarations, affidavits, and certificates entered into evidence (including those at Docket Nos. 1148, 1149, 1153, 1157, 1161 and 1166); and accepting as true all other evidence adduced at the hearing; and upon review of the entire Case record; and upon consideration of the pleadings and memoranda filed in support of and against confirmation of the Plan and argument made on the papers and at oral argument; and upon finding that the record, including the applicable certificates of service, establishes proper notice and service of all confirmation-related documents, solicitations, notices, and disclosures, the Court **FINDS** the following facts and **MAKES** the following conclusions of law, and **ORDERS** that the Plan be **CONFIRMED**.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

A. **Findings of Fact and Conclusions of Law.** The findings and conclusions set forth herein and in the Objection Order constitute the Court’s findings of fact and conclusions of law related to the confirmation of the Plan, pursuant to Fed. R. Bankr. P. 7052, made applicable to the proceeding pursuant to Fed. R. Bankr. P. 9014. The procedural history of the Plan, including the filing and service of the Plan and other confirmation-related documents, is set forth in the Case Docket and the Objection Order, and is uncontested. It need not be memorialized here, and is accepted as fact. All necessary notice and service of the Plan and other confirmation-related documents has been properly and sufficiently accomplished upon all parties entitled to such notice and service. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact they are adopted as such.

³ All findings of fact and conclusions of law set forth in the Objection Order are incorporated in the instant Order.

B. **Incorporation of Declarations.** No objections were raised to the admission of any declaration, affidavit, or certificate entered into evidence at the Confirmation Hearing. No countervailing evidence was offered. The Court finds these documents to be true and persuasive, and adopts as a finding of fact the factual statements contained in each.

C. **Transmittal and Mailing of Materials, Notice.** The service of the various documents and materials and the posting of the materials on the website www.usfbankruptcy.com (the “USF Notice Website”) as described in the certificates of services [Docket Nos. 1108, 1110 and 1114], the affidavit of mailing [Docket No. 1110], and the affidavit of publication [Docket No. 1120] shall be deemed to have been transmitted and served in compliance with the solicitation order [Docket No. 1101], the Bankruptcy Rules, and the local Bankruptcy Rules for the Eastern District of Missouri. Such transmittal and service was adequate and sufficient, and no other or further notice is or shall be required.

D. **Balloting and Acceptances of the Plan.** The UCC did not solicit votes from Classes 1, 4, and 12 (because they are deemed to have accepted the Plan under § 1126(f)) or from Classes 9, 10, and 11 (because they are deemed to reject the Plan under § 1126(g)). The outcome of the voting by the remaining classes on the Plan was as follows:

[REMAINDER OF PAGE IS BLANK]

Class	Accept the Plan		Reject the Plan	
	Dollar Amount Voted/ Percentage of Total Dollar Amount	Number of Votes/ Percentage of Number of Votes	Dollar Amount Voted/ Percentage of Total Dollar Amount	Number of Votes/ Percentage of Number of Votes
2	\$57,974,530.03 /100%	1 /100%	\$0.00 /0%	0 /0%
3	\$19,999,996.00 /100%	4 /100%	\$0.00 /0%	0 /0%
5	\$4,851,958.71 /100%	31 /100%	\$0.00 /0%	0 /0%
6	\$2,062,916,244.00 / 99.9994%	412,586 / 99.9993%	\$12,575.00 / 0.0006%	3 / 0.0007%
7	\$1,019,428,000.00 / 100%	30 / 100%	\$0.00 / 0%	0 / 0%

As a result of the balloting described above, and applying the rules for determining the acceptance or rejection of a plan under § 1126(c), (d), (f), and (g), the Classes voted to accept or reject the Plan as follows:

[REMAINDER OF PAGE IS BLANK]

Class	Status	Voting Outcome
1- Non-Tax Priority Claims	Unimpaired	Deemed to accept
2 - Mepco Claims	Impaired	Accept
3 - Warrantech Claims	Impaired	Accept
4 – WARN Litigation Claims	Unimpaired	Deemed to accept
5 - Trade Claims	Impaired	Accept
6 - Consumer Claims	Impaired	Accept
7 - Subordinated Governmental Fines and Penalties Claims	Impaired	Accept
8- Prestige Claims	Impaired	Did not vote because it withdrew its proof of claim (ECF # 1133)
9 - WARN Litigation Class Exclusion Claims	Impaired	Deemed to reject
10 - Intercompany Claims	Impaired	Deemed to reject
11 - Equity Interests	Impaired	Deemed to reject
12 - Consumer Objectors’ Claims	Unimpaired	Deemed to accept

E. **Compliance with the Bankruptcy Code.** Except as noted below, the Plan satisfies all applicable requirements for confirmation of a plan as set forth in § 1121 *et seq.* of the Bankruptcy Code. In particular, the Plan satisfies all applicable requirements for confirmation contained in § 1129(a) of the Bankruptcy Code, except for the requirement in § 1129(a)(8) of the Bankruptcy Code that every impaired class shall have voted to accept the Plan.

F. **Fair and Equitable: No Unfair Discrimination (11 U.S.C. § 1129(b)).** Class 9, Class 10, and Class 11 are deemed to reject the Plan. Based on the Master Disclosure Statement of June 5, 2012, the UCC's Confirmation Brief and Response, the Eisenberg Declaration, and the evidence adduced at the Confirmation Hearing, the Plan does not discriminate unfairly and is fair and equitable with respect to Classes 9, 10, and 11, as required by § 1129(b)(1) of the Bankruptcy Code. Thus, the Plan may be confirmed notwithstanding the failure to satisfy § 1129(a)(8) of the Bankruptcy Code. Upon Confirmation and occurrence of the Effective Date, the Plan shall be binding on the members of Classes 9, 10, and 11.

G. **Modifications to the Plan.** The modifications to the First Amended Plan [Docket # 1097] do not materially adversely affect or change the treatment of any Claims or Interests. The modifications to the Plan that added Class 12 for the Consumer Objectors' Claims did not adversely affect the treatment of the Consumer Objectors' Claims and included only a minor alteration to the treatment of Class 5 claims so that the change was so minor that it is not a materially adverse change. Accordingly, pursuant to Bankruptcy Rule 3019, such modifications do not require additional disclosure under § 1125 of the Bankruptcy Code or resolicitation of votes under § 1126 of the Bankruptcy Code, nor do they require that holders of Claims or Interests be afforded an opportunity to change previously cast acceptances or rejections of the Plan, thereby satisfying § 1127 of the Bankruptcy Code.

H. **Objections.** All parties have had a full and fair opportunity to litigate all issues raised in any objection, or which might have been raised, and all objections have been fully and fairly litigated.

I. **No Opt-Out; No Objection to Releases by State Attorney General.** Neither Mepco nor Warrantech has exercised the Opt-Out rights described in Section 12.2 of the Plan. No State Attorney General objected to the releases described in Article XIII of the Plan. In fact, twenty-nine State Attorneys General and the Attorney General for the District of Columbia, representing over \$ 2 billion in Consumer Claims voted to accept the Plan.

J. **Qualified Settlement Fund.** The Consumer Restitution Fund shall be a qualified settlement fund within the meaning of §1.468B-1(c) of the Treasury Regulations promulgated under Section 468B of the Internal Revenue Code.

RELIEF

Therefore, the Court **ORDERS** as follows:

9.5. **Withholding and Reporting Requirements.** The Liquidating Trustee is authorized to take any and all actions that may be necessary or appropriate to comply with all withholding, payment, and reporting requirements imposed by any federal, state, local, or foreign taxing authority. All Holders of Claims shall be required to provide any information necessary to effect information reporting, payment, and withholding with respect to such taxes. Notwithstanding the foregoing, neither the Debtor, the Liquidating Trust, nor the Liquidating Trustee shall be responsible for withholding any portion or paying any withholding taxes with respect to the payments made to the WARN Litigation Class Claimants pursuant to the WARN Litigation Class Settlement Order.

9.6. **Setoff.** The Liquidating Trust may, pursuant to section 553 of the Bankruptcy Code or applicable nonbankruptcy laws, but shall not be required to, set off against any Claim and the payments or other Distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that the Debtor, Estate, or Liquidating Trust may have against the Holder of such Claim (except to the extent that such claims have been dismissed, released or waived in the Plan or otherwise); *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Liquidating Trust of any such claim that the Debtor or Liquidating Trust may have against such Holder.

ARTICLE X

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

10.1. **Rejected Contracts and Leases.** Except as otherwise provided in the Plan, the Confirmation Order shall constitute an order under section 365 of the Bankruptcy Code rejecting all prepetition executory contracts and unexpired leases to which the Debtor is a party,

on and subject to the occurrence of the Effective Date, unless such contract or lease (a) previously shall have been assumed or rejected by the Debtor, (b) previously shall have expired or terminated pursuant to its own terms before the Effective Date, or (c) is identified in the Plan Supplement as a contract or lease to be assumed; *provided, however*, that the Creditors Committee may amend such list of contracts or leases to be assumed at any time prior to the Confirmation Date.

10.2. ***Bar to Rejection Damages.*** If the rejection of an executory contract or unexpired lease pursuant to Section 10.1 above gives rise to a Claim by the other party or parties to such contract or lease, such Claim shall be forever barred and shall not be enforceable against the Debtor or its Estate, the Liquidating Trust, the Liquidating Trustee or their respective successors or properties unless a proof of Claim is Filed and served on the Liquidating Trustee within thirty (30) days after the Confirmation Date.

ARTICLE XI

PROCEDURES FOR RESOLVING DISPUTED, CONTINGENT AND UNLIQUIDATED NON-CONSUMER CLAIMS

11.1. ***Application of this Article.*** This Article XI applies only to procedures for resolving Disputed Non-Consumer Claims. The procedures for resolving Disputed Consumer Claims are provided in the Consumer Restitution Fund Agreement. Subject only to Section 14.2, the Bankruptcy Court will have no role in the resolution of Disputed Consumer Claims.

11.2. ***Objection Deadline; Prosecution of Objections.*** No later than the Claims Objection Deadline (unless extended by an order of the Bankruptcy Court), the Liquidating Trustee shall File objections to Claims with the Bankruptcy Court and serve such objections upon the Holders of each of the Claims to which objections are made. Nothing contained herein, however, shall limit the right to object to Claims, if any, Filed or amended after the Claims Objection Deadline. Subject to the limitations set forth in the Liquidating Trust Agreement and Section 8.3 of the Plan, after the Effective Date, the Liquidating Trustee shall be authorized to, and shall, resolve all Disputed Claims by withdrawing or settling such objections thereto, or by litigating to judgment in the Bankruptcy Court or such other court having jurisdiction over the validity, nature and/or amount thereof.

11.3. ***No Distributions Pending Allowance.*** Notwithstanding any other provision of the Plan, no payments or Distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim.

ARTICLE XII

CONFIRMATION AND CONSUMMATION OF THE PLAN

12.1. ***Conditions to Confirmation.*** The Bankruptcy Court shall not approve the Confirmation Order unless and until (a) the Bankruptcy Court shall have approved the

Disclosure Statement, in a manner reasonably acceptable in form and substance to the Creditors Committee, as containing adequate information with respect to the Plan within the meaning of section 1125 of the Bankruptcy Code; (b) Mepco shall have satisfied the Mepco Notice Reimbursement Obligations, (c) Warrantech shall have satisfied the Warrantech Notice Reimbursement Obligations, (d) the proposed Confirmation Order shall be reasonably acceptable in form and substance to the Creditors Committee and the parties to the Global Settlement Agreement; (e) the Global Settlement Agreement has been fully executed; (f) the most current version of the Plan, the Plan Supplement and all of the schedules, documents, and exhibits contained therein (including the Liquidating Trust Agreement and Consumer Restitution Fund Agreement) shall be Filed in form and substance reasonably acceptable to the Creditors Committee and the parties to the Global Settlement Agreement, and (g) neither Mepco nor Warrantech shall have exercised the Opt-Out Right described in Section 12.2 of the Plan .

12.2. **Opt-Out.** Warrantech and Mepco may each elect to opt-out of this Plan for any reason at any time prior to the entry of the Confirmation Order by (a) delivering to the Committee a written notice of its intent to opt-out of the Plan, and (b) payment of \$200,000 in Cash in the aggregate to the Debtor. Upon receipt of the opt-out notice from either Mepco or Warrantech and confirmation of the payment of the \$200,000, the Committee shall promptly withdraw the Plan and any request for confirmation of the Plan. The Debtor and the Attorney General Steering Committee will retain the \$200,000 to compensate them for the anticipated additional costs to be incurred in the pursuit of an alternative Plan. Notwithstanding the foregoing, neither Mepco nor Warrantech shall be required to make the \$200,000 opt-out payment if more than five states have objected to the Plan and had their objections sustained under Section 13.3(d) of this Plan.

12.3. **Conditions to Effective Date.** The Creditors Committee intends to request that the Confirmation Order include a finding by the Bankruptcy Court that, notwithstanding Rule 3020(e) of the Federal Rules of Bankruptcy Procedure, the Confirmation Order shall take effect immediately upon its entry. The following are conditions precedent to the occurrence of the Effective Date: (a) the Debtor shall have Cash on hand sufficient to make all payments required hereunder on the Effective Date; (b) the Confirmation Order shall be a Final Order in form and substance reasonably acceptable to the Creditors Committee and no request for revocation of the Confirmation Order shall have been made or, if made, shall remain pending; (c) the WARN Litigation Class Settlement Order and the Consumer Class Proof of Claims Order shall each have become a Final Order; and (d) the final version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein (including the executed Global Settlement Agreement) shall be Filed in form and substance reasonably acceptable to the Creditors Committee.

12.4. **Waiver of Conditions Precedent.** The Creditors Committee may waive any of the conditions set forth in Section 12.1 or Section 12.3 at any time, without any notice to other parties in interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action. However, the Creditors Committee may not waive the approval rights of any other party to the conditions to Confirmation and to the Effective Date set forth in Section 12.1 or Section 12.3 above.

12.5. ***Consequences of Non-Occurrence of Effective Date.*** If the Effective Date does not occur within sixty (60) days after the Confirmation Date, or by such later date, after notice and hearing, as is proposed by the Creditors Committee, then upon motion by any party to the Global Settlement Agreement and upon notice to such parties in interest as the Bankruptcy Court may direct, the Confirmation Order will be vacated by the Bankruptcy Court; *provided, however,* that, notwithstanding the Filing of such motion, the Confirmation Order may not be vacated if the Effective Date occurs before the Bankruptcy Court approves an order granting such motion. If the Confirmation Order is vacated, the Plan shall be null and void in all respects, any settlement of Claims provided for hereby shall be null and void without further order of the Bankruptcy Court. The time within which the Debtor may assume and assign, or reject all executory contracts and unexpired leases shall be extended for a period of thirty (30) days after the date the Confirmation Order is vacated; and nothing contained in the Plan or Disclosure Statement shall constitute a waiver or release of any Claims, Interests, or Litigation Claims.

ARTICLE XIII

13.3. *Releases by States Attorneys General and Governmental Units.* On the Effective Date, in consideration of the material consideration described herein and in the Global Settlement Agreement with, *inter alia*, the states of Missouri, Ohio, Texas and Washington, each State Attorneys General and each other Governmental Unit (as defined in Section 1.64) shall be deemed to release unconditionally, and hereby is deemed to forever release and discharge unconditionally:

(a) Notwithstanding anything to the contrary in the Plan, nothing in this release is intended to release or discharge, nor shall release or discharge, any of the Warrantech Released Parties from: (i) any Tax claims, workforce commission claims or similar governmental revenue matters; (ii) the performance of any of their respective obligations under the Warrantech AVCs; (iii) claims arising from any violation of state insurance laws; (iv) claims asserted by any State Attorney General or other Governmental Unit in pending litigation or administrative proceedings against Warrantech; (v) any claims or obligations against any of the Warrantech Released Parties arising out of contracts or dealings with any Person other than the Debtor or an Affiliate; and (vi) any other claim by a Governmental Unit not derived from a consumer protection, “Do Not Call,” automatic dialing and announcing device, telemarketing or other similar statute or regulation (e.g. tax claims and workforce commission claims). The Warrantech Released Parties are released from all civil Claims arising from or related to the Warrantech Vehicle Service Contracts offered by the Debtor and its predecessors or an Affiliate, or arising from or related to the acts of the Debtor in marketing, selling, entering into, servicing, terminating and the refunding of Warrantech Vehicle Service Contracts, pursuant to consumer protection statutes and regulations, including “Do Not Call” statutes, automatic dialing and announcing device laws, telemarketing laws and other similar statutes and regulations that could have been brought by any State Attorney General or other Governmental Unit at any time prior to the Effective Date of this Plan, including all Claims identified in Section 1.35(f).

(b)(i) Notwithstanding anything to the contrary in the Plan, nothing in this release is intended to release or discharge, nor shall release or discharge, any of the Mepco Released Parties from: (a) any Tax claims, workforce commission claims or similar governmental revenue matters; (b) claims arising from any violation of state insurance laws; (c) claims asserted by any State Attorney General or other Governmental Unit in pending litigation or administrative proceeding against Mepco; (d) any claims or obligations against any of the Mepco Released Parties arising out of contracts or dealings with any Person other than the Debtor or an Affiliate; (e) any other claim by a Governmental Unit not derived from a consumer protection, “Do Not Call,” automatic dialing and announcing device, telemarketing or other similar statute or regulation (e.g. Tax claims and workforce commission claims); (f) any claim by a Governmental Unit related to or arising from the appropriation of funds related to Crescent Manufacturing.

(b)(ii) Subject to paragraph 13.3(b)(i) above, the Mepco Released Parties are released from all civil Claims that could have been brought by any State

Attorney General or other Governmental Unit at any time prior to the Effective Date, pursuant to any consumer protection statute or regulation, including but not limited to “Do Not Call” statutes, automatic dialing and announcing device laws, Drivers’ Privacy Protection Laws, the Telemarketing Sales Rule, 16 C.F.R § 310.3(b), and the Telephone Consumer Protection Act, 47 U.S.C. 227, et seq., that arise under, from, or relate to: (a) a Vehicle Service Contract purchased or entered into by a Consumer from the Debtor or an Affiliate; (b) the actions or conduct of the Debtor or an Affiliate in soliciting, marketing, contacting a Person to purchase or enter into a Vehicle Service Contract, whether or not the Person purchased a Vehicle Service Contract; (c) Debtor’s or an Affiliate’s offer of a Consumer Payment Plan, including but not limited to the statements, representations, or disclosures made to a Consumer by the Debtor or an Affiliate, and the servicing or termination of a Consumer Payment Plan by the Debtor; and (d) all Claims identified in section 1.35(f).

This release is intended to only provide the Atkinsons with release from liability under consumer protection statutes and regulations, including, but not limited to “Do Not Call” statutes, automatic dialing and announcing device laws, telemarketing laws and other similar statutes and regulations. This release does not extend to any Person who has previously obtained an administrative order or judgment against the Atkinsons individually (by way of example, but not limitation, the State of Maryland), nor does it affect in any way any pending future or adjudicated state or federal criminal action against the Atkinsons (by way of example, but not limitation, the pending criminal action brought by the Missouri Attorney General).

(d) *Objection to Releases by State Attorneys General.* Any State Attorney General or Governmental Unit which timely files and prosecutes an objection to confirmation of this Plan on the basis that Warrantech and/or Mepco are to receive releases as set forth in section 13.3(a) and (b), respectively, and which objection is sustained by the Bankruptcy Court, shall not be bound by the releases provided in section 13.3(a) and/or (b). However, any and all Consumers who resided in the state of the successfully objecting State Attorney General or Governmental Unit at the time the Consumer Claim arose shall not receive a distribution from the Consumer Restitution Fund or under this Plan.²

² A Global Settlement Agreement was reached among all major constituencies in the case following two days of mediation. As part of the consideration for that Global Settlement Agreement, Mepco and Warrantech were provided global civil releases from all Consumer Claims and claims arising under consumer protection statutes and regulations. Any objecting State Attorney General whose Objection is sustained by the Bankruptcy Court shall be carved out from the scope of those releases; and any and all residents of those respective states shall not be eligible for or receive a distribution from the Consumer Restitution Fund. These third-party releases for Mepco and Warrantech being granted under the Plan were a material consideration for the funds being contributed to the Consumer Restitution Fund.

13.4. *Release of Claims by Mepco.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, Mepco, on behalf of itself, its parent corporation, shareholders, affiliates, agents (including legal representatives), successors, and assigns, shall be deemed to release unconditionally, and hereby is deemed to forever to release unconditionally the Creditors Committee, the Warrantech Released Parties and each of the Atkinsons, and their respective heirs, successors and assigns, from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, including the Debtor's marketing, sales, servicing, or administration of Vehicle Service Contracts, and any agreement to refund all or a portion of the consideration paid for such Vehicle Service Contracts; provided however, that the Mepco Released Parties do not release the Warrantech Released Parties from any Claims in connection with, arising out of or relating to the marketing, sale, financing, service or administration of a Vehicle Service Contract by any Person other than, or unrelated to, the Debtor or an Affiliate. Mepco covenants that it will not assert any additional claims of any sort against the Debtor, but this shall not affect Mepco's ability to receive Distributions on account of its share of the Later Monetized Assets and on account of the Mepco Unsecured Claim. This release shall be self-executing and enforceable on the Effective Date without further action by any Person.

13.5. *Release of Claims by Warrantech.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, Warrantech, on behalf of itself, its parent corporation, shareholders, affiliates, agents (including legal representatives), successors, and assigns, shall be deemed to release unconditionally, and hereby are deemed to forever release unconditionally the Creditors Committee, the Mepco Released Parties, and each of the Atkinsons, and their respective heirs, successors and assigns, from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, including the Debtor's marketing, sales, servicing, or administration of Vehicle Service Contracts and any agreement to refund all or a portion of the consideration paid for such Vehicle Service Contracts; provided, however, that the Warrantech Released Parties do not release the Mepco Released Parties from any Claims arising from the marketing, sale, financing, service or administration of a Vehicle Service Contract by any Person other than, or unrelated to, the Debtor or an Affiliate. Warrantech covenants that it will not assert any additional Claims of any sort against the Debtor. This release shall be self-executing and enforceable on the Effective Date without further action by any Person,

13.6. *Release of Claims by Debtor.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, the Debtor, on behalf of itself and the Estate, agents (including legal representatives), successors, and assigns (including the Liquidating Trust and the Consumer Restitution Fund), shall be deemed to release unconditionally, and hereby is deemed to forever release unconditionally the Warrantech Released Parties, the Mepco Released Parties, each of the Atkinsons, and their respective heirs, successors and assigns, from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, including the Debtor's marketing,

sales, servicing, or administration of Vehicle Service Contracts and any agreement to refund all or a portion of the consideration paid for such Vehicle Service Contracts. This release shall be self-executing and enforceable on the Effective Date without further action by any Person.

13.7. *Release of Claims by WARN Claimants.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, the WARN Litigation Claimants, together with their heirs, agents (including legal representatives), successors, and assigns, shall be deemed to release unconditionally, and hereby are deemed to forever release unconditionally the Debtor, the Estate, the Trade Creditors, the Mepco Released Parties, the Warrantech Released Parties, and each of the Atkinsons, and their respective heirs, successors and assigns, from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, the Debtor's business shutdown, or the termination of any employee or employee benefit. This release shall be self-executing and enforceable on the Effective Date without further action by any Person.

13.8. *Release of Claims by Trade Creditors.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, the Trade Creditors receiving Distributions on account of the Plan, their agents (including legal representatives), successors, and assigns, shall be deemed to release unconditionally, and hereby are deemed to forever release unconditionally the Debtor, the Estate, the Mepco Released Parties, the Warrantech Released Parties, each of the Atkinsons, and their respective heirs, successors and assigns, from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, including the Debtor's marketing, sales, servicing, or administration of Vehicle Service Contracts and any agreement to refund all or a portion of the consideration paid for such Vehicle Service Contracts. This release shall be self-executing and enforceable on the Effective Date without further action by any Person. Notwithstanding the foregoing, nothing in this Plan shall be deemed to release Mepco or Warrantech from any Claims that any Trade Creditors may now have, or may in the future have against either Mepco or Warrantech arising out of or relating to any direct contractual relationships or direct dealings with either Warrantech or Mepco that do not involve the Debtor or the Affiliates. Further, nothing in this Plan shall be deemed to release Warrantech from any Claims of any nature that CARRG may have, or may in the future have, in connection with, arising out of, or in any way relating to any contracts, agreements or court orders arising from other direct dealings between Warrantech and CARRG.

13.9. *Release of Claims by Prestige.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, Prestige, its successors and assigns, shall be deemed to release unconditionally, and hereby are deemed to forever release unconditionally, the Mepco Released Parties from any and all Claims relating to or arising from the marketing and/or sale of a Vehicle Service Contract by the Debtor or an Affiliate.

13.10. *Release of Claims by Atkinsons.* On the Effective Date, in consideration of the terms described herein and in the Global Settlement Agreement, the Atkinsons, and each of them, on behalf of themselves, their heirs, successors, and assigns, shall be deemed to release unconditionally, and hereby are deemed to forever release unconditionally the Debtor, the Estate, the Mepco Released Parties, the Warrantech Released Parties, all Creditors holding or asserting Claims against the Estate, the Creditors Committee, the Professionals retained by the Estate and/or the Creditors Committee, and their respective heirs, successors, assigns, subsidiaries, parents and affiliates from any and all Claims of every kind and nature, whether or not known, direct or indirect, asserted in connection with, arising out of, or in any way relating to the Debtor or its business, including the Debtor's marketing, sales, servicing, or administration of Vehicle Service Contracts, any Consumer Payment Plan and any agreement to refund all or a portion of the consideration paid for such Vehicle Service Contracts. This release shall be self-executing and enforceable on the Effective Date without further action by any Person.

13.11. *Limitations on Releases.* Nothing in the releases provided under this Article XIII of the Plan shall release or relieve any Person: (a) from its obligations under the Plan or the Global Settlement Agreement; (b) other than the Debtor and the Estate from its obligations under a Vehicle Service Contract or Payment Plan that was effective as of the Effective Date; or (c) from any Claim which does not arise from, out of, or in any way relate to, the Debtor, an Affiliate, or their businesses.

13.12. *Exculpation and Limitation of Liability.* Except as otherwise specifically provided in the Plan, to the maximum extent permitted by the Bankruptcy Code and applicable law, none of (a) the Liquidating Trust, (b) the Liquidating Trustee, (c) the members of the Creditors' Committee in their official capacities, (d) the Professionals (except for the Malpractice Claims), (e) the Attorney General Steering Committee, (e) the Consumer Restitution Escrow Agent, (f) David A. Warfield and Scott A. Eisenberg, in their capacities under the Voting Trust Agreement and with respect to their positions with the Voting Trust Entities, and (g) any of their respective members, officers, directors, shareholders, employees, advisors, attorneys, or agents acting in such capacity on or after the Petition Date, shall have or incur any liability to, or be subject to any right of action by, any Holder of an Allowed Claim or Interest relating to, or arising out of, the Debtor's Chapter 11 Case, the pursuit of confirmation of the Plan, the consummation of the Plan, the administration of the Plan, or the property to be distributed under the Plan, except for their willful misconduct, gross negligence, and ordinary professional negligence, and in all respects the Persons described in Sections 13.12(a) through (g) above shall be entitled to rely reasonably upon the advice of counsel with respect to their duties and responsibilities under the Plan. Nothing herein shall prohibit any Person from objecting to the allowance of compensation for any Professional retained by the Debtor, the Estate or the Creditors Committee.

13.13. No Discharge of the Debtor; Injunction

(a) Pursuant to section 1141(d)(3) of the Bankruptcy Code, Confirmation will *not* discharge Claims against the Debtor;

(b) However, except as otherwise provided in this Plan, the Confirmation Order shall provide, among other things, that from and after the Confirmation Date all Persons who have held, hold, or may hold Claims or Interests are permanently enjoined from commencing, continuing or prosecuting any judicial, administrative or other action or proceeding, whether directly, indirectly, derivatively or otherwise, to recover any civil Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities that are the subject of the Releases or taking any action, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of this Plan and the Plan Supplement documents against any of the Debtor, the Creditors' Committee (or any of its members from time to time), the Liquidating Trust, the Mepco Released Parties, the Warrantech Released Parties, the Liquidating Trustee, the Consumer Restitution Fund, and the Consumer Restitution Escrow Agent.

(i) commencing or continuing in any manner any action or other proceeding of any kind with respect to any Claims released under this Article XIII against any of the Released Parties, or against the property of any Released Party, including without limitation, the class action proceeding bearing the caption of *Ochotnicki v. Warrantech Corporation, et al.*, Case Number 10 L 774 pending in the Circuit Court of the Third Judicial Circuit, Madison County, Illinois;

(ii) enforcing, attaching, collecting, or recovering, by any manner or means, any judgment, award, decree, or order against any of the Released Parties or against the property of any Released Party with respect to any Claims released under this Article XIII;

The Consumer Restitution Fund Assets, in amounts to be determined by the Consumer Restitution Advisory Committee after conferring with and considering the advice and recommendations of the Claims Administrator, shall be distributed to Beneficiaries for the purposes of paying Consumer Claims against US Fidelis and in such amounts and in such manner as permitted under the Consumer Restitution Fund Distribution Procedures. The Escrow Agent shall, to the extent required by law, be obligated to withhold from any distributions any funds necessary to pay taxes, including the establishment of adequate reserves for such taxes as well as any amount that may be required to be withheld under section 1.458B-(1)(2) of the Treasury Regulations or otherwise under applicable law in respect of such distributions. All Beneficiaries shall provide any and all such information that the Escrow Agent may reasonably require and is required by applicable law in respect of taxes and filings and reporting for taxes, before any distributions are made to Beneficiaries as contemplated hereby, and the Escrow Agent may, without liability to the Beneficiaries, delay such distributions unless and until such information is provided in the form required by the Escrow Agent.

Article VII.

QUALIFIED SETTLEMENT FUND

Section 7.01 Tax Treatment. The Consumer Restitution Fund is intended to be treated for U.S. federal income tax purposes as a “qualified settlement fund” as described within section 1.468B-1 *et seq.* of the Treasury Regulations. Accordingly, for all U.S. federal income tax purposes the transfer of assets to the Consumer Restitution Fund will be treated as a transfer to a Fund satisfying the requirements of section 1.468B-1(c) of the Treasury Regulations by the Company, as transferor, for distribution to holders of Consumer Claims and in complete settlement of such Consumer Claims. Any income on the assets of the Consumer Restitution Fund will be treated as subject to tax on a current basis, and all distributions pursuant to the Plan will be made net of provision for taxes and subject to the withholding and reporting requirements set forth in the Plan and this Agreement.

Section 7.02 No Right to Reversion with Respect to Consumer Restitution Fund Assets. US Fidelis will have no right to any refunds or reversion with respect to any Consumer Restitution Fund Assets or any earnings thereon.

Section 7.03 Obligations of the Claims Administrator. The Escrow Agent shall be the “administrator” (as defined in section 1.468B-2(k) of the Treasury Regulations) of the Consumer Restitution Fund and shall (a) timely file such income tax and other returns and statements and timely pay all taxes, if any, required to be paid from the assets in the Consumer Restitution Fund as required by law and in accordance with the provisions of the Plan and this Agreement; (b) comply with all withholding obligations, as required under the applicable provisions of the IRC and of any state law and the regulations promulgated thereunder; (c) meet all other requirements necessary to qualify and maintain qualification of the Consumer Restitution Fund as a “qualified settlement fund” within the meaning of section 1.468B-1 *et seq.* of the Treasury Regulations; and (d) take no action that could cause the Consumer Restitution Fund to fail to qualify as a “qualified settlement fund” within the meaning of section 1.468B-1 *et seq.* of the Treasury Regulations.

Section 7.04 Obligations of US Fidelis. Following the funding of the Consumer Restitution Fund (and in no event later than February 15th of the calendar year following the date of this Agreement), US Fidelis shall provide, or cause to be provided, to the Consumer Restitution Fund a “§ 1.468B-3 Statement” in accordance with section 1.468B-3 of the Treasury Regulations. Following any subsequent transfers of cash or other property to the Consumer Restitution Fund, US Fidelis (or the entity treated as the transferor for U.S. federal income tax purposes) shall provide, or cause to be provided, to the Claims Administrator a “§ 1.468B-3 Statement” on or before February 15th of the calendar year following the date of each such transfer.

Section 7.05 No Contravention of Requirements. No provision in this Agreement or the Consumer Restitution Fund Distribution Procedures shall be construed to mandate any distribution on any claim or other action that would contravene the Consumer Restitution Fund’s compliance with the requirements of a “qualified settlement fund” within the meaning of section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under section 468B of the IRC.

Article VIII.

GENERAL TERMS AND PROVISIONS

Section 8.01 Irrevocable. The Consumer Restitution Fund is irrevocable.

- (A) The term for which the Consumer Restitution Fund is to exist shall commence on the date of the filing of the Certificate of Fund and shall terminate pursuant to the provisions of Section 8.02(B) below.
- (B) The Consumer Restitution Fund shall automatically dissolve on the date (the “Dissolution Date”) ninety days after the first of the following to occur:

the date on which the Consumer Restitution Advisory Committee decides to dissolve the Consumer Restitution Fund because (1) all Consumer Claims duly filed with the Consumer Restitution Fund have been liquidated, paid or disallowed by a non-

appealable determination to the extent provided in this Agreement and in the Consumer Restitution Fund Distribution Procedures; (2) available Fund Assets have been distributed to claimants in at least one class of claims; or (3) the Consumer Restitution Advisory Committee deems it unlikely that any new Consumer Claims will be asserted against the Consumer Restitution Fund.

- (C) In the event all allowed Consumer Claims have been paid in full and there are remaining assets on the Dissolution Date after payment of all Consumer Fund expenses, all assets remaining in the Consumer Restitution Fund shall be distributed at the sole discretion of the Consumer Restitution Advisory Committee for the purpose of funding consumer fraud education, investigation, enforcement operations, litigation, public protection or local consumer aid, including contributions to national consumer advocacy programs. Transfer of such assets shall be only to organization(s) exempt from federal income tax under the IRC. All un-cashed checks as of the Dissolution Date will revert to the holder's last state of residence under unclaimed property laws.

The Consumer Restitution Advisory Committee may modify or amend the Consumer Restitution Fund Distribution Procedures by a writing signed by a majority of the members of the Consumer Restitution Advisory Committee; provided, however, that no amendment to such procedures shall be inconsistent with the purposes of the Consumer Restitution Fund. Any amendment that affects the duties, obligations, responsibilities, rights or entitlements of the Claims Administrator shall require the consent of the Claims Administrator. Notwithstanding anything contained in this Agreement to the contrary, none of this Agreement, the Consumer Restitution Fund Distribution Procedures, or any document annexed to the foregoing, shall be modified or amended in any way that could jeopardize, impair or modify the Plan, the efficacy or enforceability of the Consumer Channeling Injunction or the Consumer Restitution Fund's qualified settlement fund status under section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under section 468B of the IRC.

Section 8.04 Severability. Should any provision in this Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Agreement.
