**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/04/2024.

On April 19, 2023, conditions of probation were reviewed and signed by Mr. Leingang acknowledging an understanding of his requirements and conditions.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2	<b>Mandatory Condition #3:</b> You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the Court.
---	--

**Supporting Evidence:** Mr. Leingang is alleged to be in violation of his conditions of probation by consuming controlled substance, methamphetamine, on or before January 9, 2024.

On January 16, 2024, this officer made telephone contact with Mr. Leingang and requested he report to the probation office for a random drug test. Mr. Leingang reported as directed. He submitted to a random drug test, which tested negative for all substances. Mr. Leingang then admitted he consumed methamphetamine on January 9, 2024. Mr. Leingang signed a drug use admission form.

The U.S. Probation Office respectfully recommends the Court incorporate the above-noted allegation with the pending allegations before the Court, ECF No. 84.
