APPENDIX	701
INDEX	703

The Republic of the United States of America, which was founded in 1776, has since that time been a great power in the world. It has been the center of many wars and revolutions, and it has been the home of many great men and women. It has been the land of freedom and opportunity, and it has been the land of progress and innovation.

The Republic of the United States of America has been a great power in the world for many years. It has been the center of many wars and revolutions, and it has been the home of many great men and women. It has been the land of freedom and opportunity, and it has been the land of progress and innovation.
