13 Eliz.....	529	Commonwealth of Australia Constitution Act, 63 & 64 Vict., c. 12	491
13 Eliz., c. 5.....	528	Copyright Act.....	42
British North America Act, 30 & 31 Vict., c. 3	491		

The first part of the book is devoted to a general history of the United States from its discovery by Columbus in 1492 to the present time. It covers the early years of settlement, the struggle for independence, the formation of the Constitution, and the various wars and conflicts that have shaped the nation's history.

The second part of the book is a detailed account of the political and social changes that have taken place in the United States since the Civil War. It discusses the Reconstruction period, the rise of the industrial revolution, the growth of the middle class, and the various movements for social reform and progress.

The third part of the book is a study of the foreign relations of the United States. It examines the country's role in the world, its relations with other nations, and its participation in international organizations and treaties.

The fourth part of the book is a study of the economic and social conditions of the United States. It discusses the various industries, the labor movement, and the different social classes. It also examines the problems of poverty, unemployment, and social inequality, and the efforts that have been made to solve these problems.

The fifth part of the book is a study of the culture and literature of the United States. It discusses the various forms of art, literature, and music, and the influence of these on the nation's identity and values.

The sixth part of the book is a study of the future of the United States. It discusses the various challenges and opportunities that the nation faces in the coming years, and the different views on how to meet these challenges.

The book is written in a clear and concise style, and is suitable for both students and general readers. It provides a comprehensive and up-to-date account of the history and present of the United States, and is an essential reading for anyone interested in the country's past and future.

The book is published by the University of Chicago Press, and is available in both hardcover and paperback editions. It is a valuable addition to any library or collection of books on the history of the United States.
