

383 U.S.

February 28, 1966.

lar information, within a similar period of time, with respect to the claims of the United States to present perfected rights within each State. If the parties and the Secretary of the Interior are unable at that time to agree on the present perfected rights to the use of mainstream water in each State, and their priority dates, any party may apply to the Court for the determination of such rights by the Court.

THE CHIEF JUSTICE and MR. JUSTICE FORTAS took no part in the consideration or decision of this motion.

HARRISON ET AL. *v.* SCHAEFER ET AL.
