

The next page is purposely numbered 1301. The numbers between 1127 and 1301 were intentionally omitted, in order to make it possible to publish in-chambers opinions with *permanent* page numbers, thus making the official citations available upon publication of the preliminary prints of the United States Reports.

REMARKS

The next page is purposely omitted (180). The numbers between 117 and 180 were intentionally omitted in order to make it possible to publish in chapters again with convenient page numbers, thus making the old numbers available upon publication of the permanent parts of the United States Reports.
