LETTER OF TRANSMITTAL

SUPREME COURT OF THE UNITED STATES
WASHINGTON, D. C.

APRIL 29, 1994

*To the Senate and House of Representatives of the United
States of America in Congress Assembled:*

By direction of the Supreme Court of the United States, I have the honor to submit to the Congress amendments to the Federal Rules of Bankruptcy Procedure that have been adopted by the Supreme Court pursuant to Section 2075 of Title 28, United States Code. While the Court is satisfied that the required procedures have been observed, this transmittal does not necessarily indicate that the Court itself would have proposed these amendments in the form submitted.

Accompanying these rules are excerpts from the report of the Judicial Conference of the United States containing the Advisory Committee Notes submitted to the Court for its consideration pursuant to Section 331 of Title 28, United States Code.

Sincerely,

(Signed) WILLIAM H. REHNQUIST
Chief Justice of the United States

SUPREME COURT OF THE UNITED STATES

APRIL 29, 1994

ORDERED:

1. That the Federal Rules of Bankruptcy Procedure be, and they hereby are, amended by including therein amendments to Bankruptcy Rules 8002 and 8006.

[See *infra*, pp. 1173–1174.]

2. That the foregoing amendments to the Federal Rules of Bankruptcy Procedure shall take effect on August 1, 1994, and shall govern all proceedings in bankruptcy cases thereafter commenced and, insofar as just and practicable, all proceedings in bankruptcy cases then pending.

3. That THE CHIEF JUSTICE be, and he hereby is, authorized to transmit to the Congress the foregoing amendments to the Federal Rules of Bankruptcy Procedure in accordance with the provisions of Section 2075 of Title 28, United States Code.

AMENDMENTS TO THE FEDERAL RULES
OF BANKRUPTCY PROCEDURE

Rule 8002. Time for filing notice of appeal.

(b) *Effect of motion on time for appeal.*—If any party makes a timely motion of a type specified immediately below, the time for appeal for all parties runs from the entry of the order disposing of the last such motion outstanding. This provision applies to a timely motion:

(1) to amend or make additional findings of fact under Rule 7052, whether or not granting the motion would alter the judgment;

(2) to alter or amend the judgment under Rule 9023;

(3) for a new trial under Rule 9023; or

(4) for relief under Rule 9024 if the motion is filed no later than 10 days after the entry of judgment. A notice of appeal filed after announcement or entry of the judgment, order, or decree but before disposition of any of the above motions is ineffective to appeal from the judgment, order, or decree, or part thereof, specified in the notice of appeal, until the entry of the order disposing of the last such motion outstanding. Appellate review of an order disposing of any of the above motions requires the party, in compliance with Rule 8001, to amend a previously filed notice of appeal. A party intending to challenge an alteration or amendment of the judgment, order, or decree shall file a notice, or an amended notice, of appeal within the time prescribed by this Rule 8002 measured from the entry of the order disposing of the last such motion outstanding. No additional fees will be required for filing an amended notice.

Rule 8006. Record and issues on appeal.

Within 10 days after filing the notice of appeal as provided by Rule 8001(a), entry of an order granting leave to appeal, or entry of an order disposing of the last timely motion outstanding of a type specified in Rule 8002(b), whichever is later, the appellant shall file with the clerk and serve on the appellee a designation of the items to be included in the record on appeal and a statement of the issues to be presented. Within 10 days after the service of the appellant's statement the appellee may file and serve on the appellant a designation of additional items to be included in the record on appeal and, if the appellee has filed a cross appeal, the appellee as cross appellant shall file and serve a statement of the issues to be presented on the cross appeal and a designation of additional items to be included in the record. A cross appellee may, within 10 days of service of the cross appellant's statement, file and serve on the cross appellant a designation of additional items to be included in the record. The record on appeal shall include the items so designated by the parties, the notice of appeal, the judgment, order, or decree appealed from, and any opinion, findings of fact, and conclusions of law of the court. Any party filing a designation of the items to be included in the record shall provide to the clerk a copy of the items designated or, if the party fails to provide the copy, the clerk shall prepare the copy at the party's expense. If the record designated by any party includes a transcript of any proceeding or a part thereof, the party shall, immediately after filing the designation, deliver to the reporter and file with the clerk a written request for the transcript and make satisfactory arrangements for payment of its cost. All parties shall take any other action necessary to enable the clerk to assemble and transmit the record.
