

As important as it is to modernize our Nation's banking laws, I cannot accept any bill that would weaken the Community Reinvestment Act and undermine our commitment to promoting more investments in underserved communities. That is why I insisted that no bank that fails to meet the needs of our communities should be able to profit from the new insurance and securities powers that this legislation provides. This tentative agreement includes provisions that meet this test and provide for a strong and relevant Community Reinvestment Act.
