

It is my sincere hope that in the coming weeks, we can work together to address our common goal of closing the gun show loophole and ensuring that our nation's gun laws are fully enforced without weakening current gun laws in the process. Neither of us is interested in a compromise that would serve only to jeopardize public safety and the effectiveness of law enforcement. I look forward to working with you to pass this common-sense legislation, and I encourage you to continue urging Chairman Hatch to allow the conferees to meet and consider this legislation. As you have stated, our efforts will come to nothing until that happens. Only by allowing an open and honest debate in conference and by working out our differences can we do right by the American people on this vital issue. We owe it to the families of Littleton, and the thousands more who lose their lives in gunfire each year in America, to get this done now.

Sincerely,

Bill Clinton
