granted to the President by sections 620K and 620L. Because the constitutional authority of the President to supervise the unitary executive branch and take care that the laws be faithfully executed cannot be made by law subject to a requirement to consult with congressional committees or to involve them in executive decisionmaking, the executive branch shall construe the references in the provisions to consulting to require only notification.

The executive branch shall construe section 7 of the Act, which relates to establishing or maintaining certain facilities or establishments within the jurisdiction of the United States, in a manner consistent with the President’s constitutional authority to conduct the Nation’s foreign affairs, including the authority to receive ambassadors and other public ministers.

The executive branch shall construe as advisory the provisions of the Act, including section 9, that purport to direct or burden the conduct of negotiations by the executive branch with entities abroad. Such provisions, if construed as mandatory rather than advisory, would impermissibly interfere with the President’s constitutional authorities to conduct the Nation’s foreign affairs, including protection of American citizens and American military and other Government personnel abroad, and to supervise the unitary executive branch.

December 21, 2006

Memorandum for the Secretary of Transportation
Subject: Provision of Aviation Insurance Coverage for Commercial Air Carrier Service in Domestic and International Operations

By the authority vested in me as President by the Constitution and laws of the United States, including 49 U.S.C. 44302, et seq., and 3 U.S.C. 301, I hereby:

1. determine that continuation of U.S.-flag commercial air service is necessary in the interest of air commerce, national security, and the foreign policy of the United States;

2. approve provision by the Secretary of Transportation (Secretary) of insurance or reinsurance to U.S.-flag air carriers against loss or damage arising out of any risk from the operation of an aircraft in the manner and to the extent provided in Chapter 443 of 49 U.S.C.:

(a) until August 31, 2007;

(b) after August 31, 2007, but no later than December 31, 2007, when the Secretary determines that such insurance or reinsurance cannot be obtained on reasonable terms and conditions from any company authorized to conduct an insurance business in a State of the United States; and

3. delegate to the Secretary the authority vested in me by 49 U.S.C. 44306(c) to extend this determination for additional periods beyond August 31, 2007, but no later than December 31, 2007, when the Secretary finds that the continued operation of aircraft to be insured or reinsured is necessary in the interest of air commerce or the national security, or to carry out the foreign policy of the United States Government.

Remarks Following a Visit With Wounded Troops at Walter Reed Army Medical Center
December 22, 2006

Laura and I are honored to be here to thank the folks working here at this service project. What you're seeing is some young kids wrapping gifts for children whose families are here in Washington, DC, as a result of an injury that they've received—that their parent received in combat.

We've also just come from Walter Reed. I got to tell you, it's a remarkable experience to go through the hospital. It's remarkable because of the unbelievable compassion and care of the people who work at Walter Reed. And it's also remarkable to me, these men and women who have volunteered to serve our country, who've received terrible wounds, but whose spirits are strong; their resolve is strong; and their dedication to our country remains strong.
