9 (a) COMMITTEE ALLOCATIONS.—After the Commit-
10 tee on Commerce and the Committee on Transportation
11 and Infrastructure reports a bill (or a conference report
12 thereon is filed) or in the Senate, after the Committee on
13 Environment and Public Works reports a bill (or a con-
14 ference report thereon is filed) to reform the Superfund
15 program to facilitate the cleanup of hazardous waste sites,
16 the chairman of the Committee on the Budget of that
17 House may increase the appropriate allocations in this res-

19 pose.

20 (b) PRIOR SURPLUS.—In the Senate, for the pur-

25 pursuant to section 104 of this resolution.

1 (c) LIMITATIONS.—The adjustments made under this
2 section shall not exceed:

7 year 2002 and the estimated outlays flowing there-
8 from.

9 (3) \$1 billion in budget authority for the period
10 of fiscal years 1998 through 2002 and the estimated
11 outlays flowing therefrom.

12 **SEC. 205. PRIORITY FEDERAL LAND ACQUISITIONS AND EX-**
13 **CHANGES.**

14 (a) ADJUSTMENT FOR DISCRETIONARY SPENDING.—
15 For fiscal year 1998, upon the reporting of an appropria-
16 tions measure (or upon the submission of a conference re-
17 port thereon) that includes an appropriation for the Na-
18 tional Park Service's Land Acquisition and State Assist-
19 ance account at the fiscal year 1998 request level (as sub-
20 mitted on February 6, 1997) and up to an additional
21 \$700,000,000 in budget authority for priority Federal
22 land acquisitions and exchanges during that fiscal year,
23 the Chairman of the Committee on the Budget may in-
24 crease the appropriate allocations in this resolution by the
25 amount provided in that appropriation measure for that

1 purpose, but not to exceed \$700,000,000 in budget au-
2 thority and the amount of outlays flowing from such budg-
3 et authority.

4 (b) COMMITTEE SUBALLOCATIONS.—The Committee
5 on Appropriations may report to its House appropriately
6 revised suballocations pursuant to sections 302(b)(1) and
7 602(b)(1) of the Congressional Budget Act of 1974 follow-
8 ing the adjustments made pursuant to subsection (a).

9 **SEC. 206. ALLOWANCE FOR ARREARAGES.**

10 (a) ADJUSTMENT FOR DISCRETIONARY SPENDING.—

11 (1) In the Senate, for the period of fiscal years 1998
12 through 2002, or in the House of Representatives, for fis-

14 measure (or upon the submission of a conference report
15 thereon) that includes an appropriation for arrearages for
16 international organizations, international peacekeeping,
17 and multilateral development banks during that fiscal
18 year, the Chairman of the Committee on the Budget may
19 increase the appropriate allocations, aggregates, and, in
20 the Senate only, discretionary spending limits in this reso-
21 lution by an amount provided for that purpose in that ap-
22 propriation measure.

23 (2) In the Senate, the adjustments described in para-
24 graph (1) for the period of fiscal years 1998 through 2002

1 may not exceed \$1,884,000,000 in budget authority and
2 the amount of outlays flowing from such budget authority.

3 (b) COMMITTEE SUBALLOCATIONS.—The Committee
4 on Appropriations may report to its House appropriately
5 revised suballocations pursuant to sections 302(b)(1) and
6 602(b)(1) of the Congressional Budget Act of 1974 follow-

8 **SEC. 207. INTERCITY PASSENGER RAIL RESERVE FUND FOR**
9 **FISCAL YEARS 1998–2002.**

10 (a) IN GENERAL.—In the Senate, if legislation is en-
11 acted which generates revenue increases or direct spending
12 reductions to finance an intercity passenger rail fund and
13 to the extent that such increases or reductions are not in-
14 cluded in this concurrent resolution on the budget, the ap-
15 propriate budgetary levels and limits may be adjusted if
16 such adjustments do not cause an increase in the deficit
17 in this resolution.

18 (b) ESTABLISHING A RESERVE.—

19 (1) REVISIONS.—After the enactment of legisla-
20 tion described in subsection (a), the Chairman of the
21 Committee on the Budget of the Senate may submit
22 revisions to the appropriate allocations and aggrega-
23 tes by the amount that provisions in such legisla-
24 tion generates revenue increases or direct spending
25 reductions.

1 (2) REVENUE INCREASES OR DIRECT SPENDING
2 REDUCTIONS.—Upon the submission of such revi-
3 sions, the Chairman of the Committee on the Budg-
4 et of the Senate shall also submit the amount of rev-
5 enue increases or direct spending reductions such
6 legislation generates and the maximum amount
7 available each year for adjustments pursuant to sub-
8 section (c).

9 (c) ADJUSTMENTS FOR DISCRETIONARY SPEND-
10 ING.—

11 (1) REVISIONS TO ALLOCATIONS AND AGGRE-
12 GATES.—Upon either—

13 (A) the reporting of an appropriations
14 measure, or when a conference committee sub-
15 mits a conference report thereon, that appro-
16 priates funds for the National Railroad Pas-
17 senger Corporation and funds from the intercity
18 passenger rail fund; or

19 (B) the reporting of an appropriations
20 measure, or when a conference committee sub-
21 mits a conference report thereon, that appro-
22 priates funds from the intercity passenger rail
23 fund (funds having previously been appro-
24 priated for the National Railroad Passenger
25 Corporation for that same fiscal year),

1 the Chairman of the Budget Committee of the Sen-
2 ate shall submit increased budget authority alloca-
3 tions, aggregates, and discretionary limits for the
4 amount appropriated for authorized expenditures
5 from the intercity passenger rail fund and the out-
6 lays flowing from such budget authority.

7 (2) REVISIONS TO SUBALLOCATIONS.—The
8 Committee on Appropriations of the Senate may
9 submit appropriately revised suballocations pursuant
10 to sections 302(b)(1) and 602(b)(1) of the Congres-
11 sional Budget Act of 1974.

12 (d) LIMITATIONS.—

13 (1) IN GENERAL.—The revisions made pursu-
14 ant to subsection (b) shall not be made—

15 (A) with respect to direct spending reduc-
16 tions, unless the committee that generates the
17 direct spending reductions is within its alloca-
18 tions under sections 302(a) and 602(a) of the
19 Budget Act in this resolution (not including the
20 direct spending reductions envisioned in sub-
21 section (b)); and

22 (B) with respect to revenue increases, un-
23 less revenues are at or above the revenue aggre-
24 gates in this resolution (not including the reve-
25 nue increases envisioned in subsection (b)).

1 et of the Senate shall also submit the amount of rev-
 2 enue increases or direct spending reductions such
 3 legislation generates and the maximum amount
 4 available each year for adjustments pursuant to sub-
 5 section (c).

6 (c) ADJUSTMENTS FOR DISCRETIONARY SPEND-
 7 ING.—

8 (1) REVISIONS TO ALLOCATIONS AND AGGRE-
 9 GATES.—Upon the reporting of an appropriations

 11 conference report thereon, that appropriates funds
 12 for mass transit, the Chairman of the Budget Com-
 13 mittee of the Senate shall submit increased budget
 14 authority allocations, aggregates, and discretionary
 15 limits for the amount appropriated for authorized
 16 expenditures from the mass transit fund and the
 17 outlays flowing from such budget authority.

23 (d) LIMITATIONS.—

24 (1) IN GENERAL.—The revisions made pursu-
 25 ant to subsection (b) shall not be made—

1 (A) with respect to direct spending reduc-
2 tions, unless the committee that generates the
3 direct spending reductions is within its alloca-
4 tions under sections 302(a) and 602(a) of the
5 Budget Act in this resolution (not including the
6 direct spending reductions envisioned in sub-
7 section (b)); and

8 (B) with respect to revenue increases, un-
9 less revenues are at or above the revenue aggre-
10 gates in this resolution (not including the reve-
11 nue increases envisioned in subsection (b)).

12 (2) BUDGET AUTHORITY.—The budget author-
13 ity adjustments made pursuant to subsection (c)
14 shall not exceed the amounts specified in subsection
15 (b)(2) for a fiscal year.

16 **SEC. 209. HIGHWAY RESERVE FUND IN THE SENATE FOR**
17 **FISCAL YEARS 1998–2002.**

18 (a) IN GENERAL.—In the Senate, if legislation is en-
19 acted which generates revenue increases or direct spending
20 reductions to finance spending from the Highway Trust
21 Fund on surface transportation and highway safety and
22 to the extent that such increases or reductions are not in-
23 cluded in this concurrent resolution on the budget, the ap-
24 propriate budgetary levels and limits shall be adjusted if

1 such adjustments do not cause an increase in the deficit
2 in this resolution.

3 (b) ESTABLISHING A RESERVE.—

4 (1) REVISIONS.—After the enactment of legisla-
5 tion described in subsection (a), the Chairman of the
6 Committee on the Budget of the Senate shall submit
7 revisions to the appropriate allocations and aggreg-
8 ates by the amount that provisions in such legisla-
9 tion generates revenue increases or direct spending
10 reductions.

11 (2) REVENUE INCREASES OR DIRECT SPENDING
12 REDUCTIONS.—Upon the submission of such revi-
13 sions, the Chairman of the Committee on the Budg-
14 et of the Senate shall also submit the amount of rev-
15 enue increases or direct spending reductions such
16 legislation generates and the maximum amount
17 available each year for adjustments pursuant to sub-
18 section (c).

19 (c) ADJUSTMENTS FOR DISCRETIONARY SPEND-
20 ING.—

21 (1) REVISIONS TO ALLOCATIONS AND AGGRE-
22 GATES.—Upon the reporting of an appropriations
23 measure, or when a conference committee submits a
24 conference report thereon, that appropriates funds
25 for highways, the Chairman of the Budget Commit-

1 tee of the Senate shall submit increased budget au-
2 thority allocations, aggregates, and discretionary
3 limits for the amount appropriated for authorized
4 expenditures from the highway fund and the outlays
5 flowing from such budget authority.

6 (2) REVISIONS TO SUBALLOCATIONS.—The
7 Committee on Appropriations of the Senate may
8 submit appropriately revised suballocations pursuant
9 to sections 302(b)(1) and 602(b)(1) of the Congres-
10 sional Budget Act of 1974.

11 (d) LIMITATIONS.—

12 (1) IN GENERAL.—The revisions made pursu-
13 ant to subsection (b) shall not be made—

14 (A) with respect to direct spending reduc-
15 tions, unless the committee that generates the
16 direct spending reductions is within its alloca-
17 tions under sections 302(a) and 602(a) of the
18 Budget Act in this resolution (not including the
19 direct spending reductions envisioned in sub-
20 section (b)); and

21 (B) with respect to revenue increases, un-
22 less revenues are at or above the revenue aggre-
23 gates in this resolution (not including the reve-
24 nue increases envisioned in subsection (b)).

1 billion in new budget authority for fiscal year 2002,
2 and \$127.973 billion in new budget authority for the
3 period of fiscal years 1998 through 2002.

4 (B) The outlays estimated to flow from the ex-
5 cess new budget authority set forth in subparagraph
6 (A) must be offset for fiscal year 1998, fiscal year
7 2002, and for the period of fiscal years 1998
8 through 2002. For the sole purpose of estimating
9 the amount of outlays flowing from excess new
10 budget authority under this section, it shall be as-
11 sumed that such excess new budget authority would
12 have an obligation limitation sufficient to accommo-
13 date that new budget authority.

14 (C) The outlays estimated to flow from the ex-
15 cess new budget authority must be offset by (i)
16 other direct spending or revenue provisions within
17 that transportation bill, (ii) the net reduction in
18 other direct spending and revenue legislation that is
19 enacted during this Congress after the date of adop-
20 tion of this resolution and before such transportation
21 bill is reported (in excess of the levels assumed in
22 this resolution), or (iii) a combination of the offsets
23 specified in clauses (i) and (ii).

24 (D) As used in this section, the term “direct
25 spending” has the meaning given to such term in

1 section 250(c)(8) of the Balanced Budget and Emer-
2 gency Deficit Control Act of 1985.

3 (c) REVISED LEVELS.—(1) When the Committee on
4 Transportation and Infrastructure of the House reports
5 a bill (or when a conference report thereon is filed) meet-
6 ing the conditions set forth in subsection (b)(2), the chair-
7 man of the Committee on the Budget of the House shall
8 increase the allocation of new budget authority to that
9 committee by the amount of new budget authority pro-
10 vided in that bill (and that is above the levels set forth
11 in subsection (b)(2)(A)) for programs authorized out of
12 the highway trust fund.

13 (2) After the enactment of the transportation bill de-
14 scribed in paragraph (1) and upon the reporting of a gen-
15 eral, supplemental or continuing resolution making appro-
16 priations by the Committee on Appropriations of the
17 House (or upon the filing of a conference report thereon)
18 establishing an obligation limitation above the levels speci-
19 fied in subsection (b)(2)(A) (at a level sufficient to obli-
20 gate some or all of the budget authority specified in para-
21 graph (1)), the chairman of the Committee on the Budget
22 of the House shall increase the allocation and aggregate
23 levels of outlays to that committee for fiscal years 1998
24 and 1999 by the appropriate amount.

1 (d) REVISIONS.—Allocations and aggregates revised
2 pursuant to this section shall be considered for purposes
3 of the Congressional Budget Act of 1974 as allocations
4 and aggregates contained in this resolution.

5 (e) REVERSALS.—If any legislation referred to in this
6 section is not enacted into law, then the chairman of the
7 House Committee on the Budget of the House shall, as
8 soon as practicable, reverse adjustments made under this
9 section for such legislation and have such adjustments
10 published in the Congressional Record.

11 (f) DETERMINATION OF BUDGETARY LEVELS.—For
12 the purposes of this section, budgetary levels shall be de-
13 termined on the basis of estimates made by the House
14 Committee on the Budget.

15 (g) DEFINITION.—As used in this section, the term
16 “highway trust fund” refers to the following budget ac-
17 counts (or any successor accounts):

18 (1) 69–8083–0–7–401 (Federal-Aid Highways).

19 (2) 69–8191–0–7–401 (Mass Transit Capital
20 Fund).

21 (3) 69–8350–0–7–401 (Mass Transit Formula
22 Grants).

23 (4) 69–8016–0–7–401 (National Highway Traf-
24 fic Safety Administration—Operations and Re-
25 search).

1 (5) 69–8020–0–7–401 (Highway Traffic Safety
2 Grants).

3 (6) 69–8048–0–7–401 (National Motor Carrier
4 Safety Program).

5 **SEC. 211. SALE OF GOVERNMENT ASSETS.**

6 (a) LIMITATION.—Subsections (b) through (d) of this
7 section shall not apply to the sale of any asset resulting
8 from the enactment of any reconciliation bill referred to
9 in section 104 or 105 of this resolution.

10 (b) BUDGETARY TREATMENT.—

11 (1) IN GENERAL.—For the purpose of this con-
12 current resolution on the budget and the Congres-
13 sional Budget Act of 1974, no amounts realized
14 from the sale of an asset shall be scored with respect
15 to the level of budget authority, outlays, or revenues
16 if such sale would cause an increase in the deficit as
17 calculated pursuant to paragraph (2).

18 (2) CALCULATION OF NET PRESENT VALUE.—

19 The deficit estimate of an asset sale shall be the net
20 present value of the cash flow from—

21 (A) proceeds from the asset sale;

22 (B) future receipts that would be expected
23 from continued ownership of the asset by the
24 Government; and

1 (C) expected future spending by the Gov-
2 ernment at a level necessary to continue to op-
3 erate and maintain the asset to generate the re-
4 ceipts estimated pursuant to subparagraph (B).

5 (c) DEFINITION.—For purposes of this section, the
6 term “sale of an asset” shall have the same meaning as
7 under section 250(c)(21) of the Balanced Budget and
8 Emergency Deficit Control Act of 1985.

9 (d) TREATMENT OF LOAN ASSETS.—For the pur-
10 poses of this section, the sale of loan assets or the prepay-
11 ment of a loan shall be governed by the terms of the Fed-
12 eral Credit Reform Act of 1990.

13 (e) INTENT.—The asset sale rule may be revisited
14 when the Budget Enforcement Act of 1990 is extended.

15 **SEC. 212. DETERMINATIONS OF BUDGETARY LEVELS; RE-**
16 **VERSALS.**

17 (a) DETERMINATIONS.—In the House of Representa-
18 tives, for purposes of this title, budgetary levels shall be
19 determined on the basis of estimates made by the House
20 Committee on the Budget.

21 (b) REVERSALS.—In the House of Representatives,
22 if any legislation referred to in this title is not enacted
23 into law, then the chairman of the Committee on the
24 Budget shall, as soon as practicable, reverse adjustments

1 made under this title for such legislation and have such
2 adjustments published in the Congressional Record.

3 (c) EFFECT OF REVISIONS.—In the House, any revi-
4 sions made by the chairman of the Committee on the
5 Budget under this title shall be considered for purposes
6 of the Congressional Budget Act of 1974 as the allocations
7 and aggregates contained in this resolution, and the chair-
8 man shall have such revisions published in the Congres-
9 sional Record.

10 **SEC. 213. SECTIONS 302 AND 602 ALLOCATIONS.**

11 (a) IN GENERAL.—Upon the adoption of this resolu-
12 tion—

13 (1) the chairman of the Committee of the
14 Budget of the House of Representatives shall make
15 the allocation among committees as required to be
16 included in the joint explanatory statement accom-
17 panying a budget resolution pursuant to sections
18 302(a)(1) and 602(a)(1) of the Congressional Budg-
19 et Act of 1974; and

20 (2) the chairman on the Committee on the
21 Budget of the Senate shall make the allocation
22 among committees as required to be included in the
23 joint explanatory statement accompanying a budget
24 resolution pursuant to sections 302(a)(2) and
25 602(a)(2) of the Congressional Budget Act of 1974;

1 and shall have such allocations published in the Congres-
2 sional Record.

3 (b) EFFECT OF ALLOCATIONS.—The allocations
4 made under subsection (a) shall be deemed for all pur-
5 poses to be allocations made pursuant to sections 302(a)
6 and 602(a) of the Congressional Budget Act of 1974.

7 **SEC. 214. EXERCISE OF RULEMAKING POWERS.**

8 The Congress adopts the provisions of this title—

9 (1) as an exercise of the rulemaking power of
10 the Senate and the House of Representatives, re-
11 spectively, and as such they shall be considered as
12 part of the rules of each House, or of that House
13 to which they specifically apply, and such rules shall
14 supersede other rules only to the extent that they
15 are inconsistent therewith; and

16 (2) with full recognition of the constitutional
17 right of either House to change those rules (so far
18 as they relate to that House) at any time, in the
19 same manner, and to the same extent as in the case
20 of any other rule of that House.

21 **TITLE III—SENSE OF THE HOUSE**
22 **OF REPRESENTATIVES**

23 **SEC. 301. SENSE OF THE HOUSE ON BASELINES.**

24 (a) FINDINGS.—The House finds that:

1 (1) Baselines are projections of future spending
2 if existing policies remain unchanged.

3 (2) Under baseline assumptions, spending auto-
4 matically rises with inflation even if such increases
5 are not mandated under existing law.

6 (3) Baseline budgeting is inherently biased
7 against policies that would reduce the projected
8 growth in spending because such policies are por-
9 trayed as spending reductions from an increasing
10 baseline.

11 (4) The baseline concept has encouraged Con-
12 gress to abdicate its constitutional obligation to con-
13 trol the public purse for those programs which are
14 automatically funded.

15 (b) SENSE OF HOUSE.—It is the sense of the House
16 that baseline budgeting should be replaced with a budg-
17 etary model that requires justification of aggregate fund-
18 ing levels and maximizes congressional and executive ac-
19 countability for Federal spending.

20 **SEC. 302. SENSE OF THE HOUSE ON REPAYMENT OF THE**
21 **FEDERAL DEBT.**

22 (a) FINDINGS.—The House finds that:

23 (1) The Congress and the President have a
24 basic moral and ethical responsibility to future gen-
25 erations to repay the Federal debt, including the

1 money borrowed from the Social Security Trust
2 Fund.

3 (2) The Congress and the President should
4 enact a law which creates a regimen for paying off
5 the Federal debt within 30 years.

6 (b) SENSE OF THE HOUSE REGARDING PRESIDENT'S
7 SUBMISSION TO CONGRESS.—It is the sense of the House
8 that:

9 (1) The President's annual budget submission
10 to Congress should include a plan for repayment of
11 Federal debt beyond the year 2002, including the
12 money borrowed from the Social Security Trust
13 Fund.

14 (2) The plan should specifically explain how the
15 President would cap spending growth at a level one
16 percentage point lower than projected growth in rev-
17 enues.

18 (3) If spending growth were held to a level one
19 percentage point lower than projected growth in rev-
20 enues, then the Federal debt could be repaid within
21 30 years.

22 **SEC. 303. SENSE OF THE HOUSE ON COMMISSION ON LONG-**
23 **TERM BUDGETARY PROBLEMS.**

24 (a) FINDINGS.—The House finds that—

1 (1) achieving a balanced budget by fiscal year
2 2002 is only the first step necessary to restore our
3 Nation's economic prosperity;

4 (2) the imminent retirement of the baby-boom
5 generation will greatly increase the demand for gov-
6 ernment services;

7 (3) this burden will be borne by a relatively
8 smaller work force resulting in an unprecedented
9 intergenerational transfer of financial resources;

10 (4) the rising demand for retirement and medi-
11 cal benefits will quickly jeopardize the solvency of
12 the medicare, social security, and Federal retirement
13 trust funds; and

14 (5) the Congressional Budget Office has esti-
15 mated that marginal tax rates would have to in-
16 crease by 50 percent over the next 5 years to cover
17 the long-term projected costs of retirement and
18 health benefits.

19 (b) SENSE OF THE HOUSE.—It is the sense of the
20 House that legislation should be enacted to create a com-
21 mission to assess long-term budgetary problems, their im-
22 plications for both the baby-boom generation and tomor-
23 row's workforce, and make such recommendations as it
24 deems appropriate to ensure our Nation's future prosper-
25 ity.

1 **SEC. 304. SENSE OF THE HOUSE ON CORPORATE WELFARE.**

2 (a) FINDINGS.—The House finds that the functional
3 levels and aggregates in this budget resolution assume
4 that—

5 (1) the Federal Government supports profit-
6 making enterprises and industries through billions of
7 dollars in payments, benefits, and programs;

8 (2) many of these subsidies do not serve a clear
9 and compelling public interest;

10 (3) corporate subsidies frequently provide un-
11 fair competitive advantages to certain industries and
12 industry segments; and

13 (4) at a time when millions of Americans are
14 being asked to sacrifice in order to balance the
15 budget, the corporate sector should bear its share of
16 the burden.

17 (b) SENSE OF THE HOUSE.—It is the sense of the
18 House that legislation should be enacted to—

19 (1) eliminate the most egregious corporate sub-
20 sidies; and

21 (2) create a commission to recommend the
22 elimination of Federal payments, benefits, and pro-
23 grams which predominantly benefit a particular in-
24 dustry or segment of an industry, rather than pro-
25 vide a clear and compelling public benefit, and in-

1 clude a fast-track process for the consideration of
2 those recommendations.

3 **SEC. 305. SENSE OF THE HOUSE ON FAMILY VIOLENCE OP-**
4 **TION CLARIFYING AMENDMENT.**

5 (a) FINDINGS.—The House finds that:

6 (1) Domestic violence is the leading cause of
7 physical injury to women. The Department of Jus-
8 tice estimates that over 1,000,000 violent crimes
9 against women are committed by intimate partners
10 annually.

11 (2) Domestic violence dramatically affects the
12 victim's ability to participate in the workforce. A
13 University of Minnesota survey reported that one
14 quarter of battered women surveyed had lost a job
15 partly because of being abused and that over half of
16 these women had been harassed by their abuser at
17 work.

18 (3) Domestic violence is often intensified as
19 women seek to gain economic independence through
20 attending school or training programs. Batterers
21 have been reported to prevent women from attending
22 these programs or sabotage their efforts at self-im-
23 provement.

24 (4) Nationwide surveys of service providers pre-
25 pared by the Taylor Institute of Chicago, Illinois,

1 document, for the first time, the interrelationship
2 between domestic violence and welfare by showing
3 that from 34 percent to 65 percent of AFDC recipi-
4 ents are current or past victims of domestic violence.

5 (5) Over half of the women surveyed stayed
6 with their batterers because they lacked the re-
7 sources to support themselves and their children.
8 The surveys also found that the availability of eco-
9 nomic support is a critical factor in poor women's
10 ability to leave abusive situations that threaten them
11 and their children.

12 (6) The restructuring of the welfare programs
13 may impact the availability of the economic support
14 and the safety net necessary to enable poor women
15 to flee abuse without risking homelessness and star-
16 vation for their families.

17 (7) In recognition of this finding, the House
18 Committee on the Budget unanimously passed a
19 sense of Congress amendment on domestic violence
20 and Federal assistance to the fiscal year 1997 budg-
21 et resolution. Subsequently, Congress passed the
22 family violence option amendment to last year's wel-
23 fare reform reconciliation bill.

24 (8) The family violence option gives States the
25 flexibility to grant temporary waivers from time lim-

1 its and work requirements for domestic violence vic-
2 tims who would suffer extreme hardship from the
3 application of these provisions. These waivers were
4 not intended to be included as part of the permanent
5 20 percent hardship exemption.

6 (9) The Department of Health and Human
7 Services has been slow to issue regulations regarding
8 this provision. As a result, States are hesitant to
9 fully implement the family violence option fearing it
10 will interfere with the 20 percent hardship exemp-
11 tion.

12 (10) Currently 15 States have opted to include
13 the family violence option in their welfare plans, and
14 13 other States have included some type of domestic
15 violence provisions in their plans.

16 (b) SENSE OF THE HOUSE.—It is the sense of the
17 House that—

18 (1) States should not be subject to any numeri-
19 cal limits in granting domestic violence good cause
20 waivers to individuals receiving assistance for all re-
21 quirements where compliance with such require-
22 ments would make it more difficult for individuals
23 receiving assistance to escape domestic violence; and

1 (2) any individuals granted a domestic violence
2 good cause waiver by States should not be included
3 in the States' 20 percent hardship exemption.
