## A BILL

To amend the Communications Act of 1934 to require the Federal Communications Commission to establish a toll free telephone number and a computer network site for the collection of complaints concerning violence and other patently offensive material on broadcast and cable television, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Parents’ Voice in Tele-  
5 vision Act of 1997”.

---

1 **SEC. 2. FINDINGS.**

2 The Congress finds the following:

3 (1) The average American child watches 8,000  
4 murders and 100,000 acts of violence on television  
5 before finishing elementary school.

6 (2) Many of the poorest and potentially most  
7 vulnerable groups in our society are the heaviest  
8 viewers of television.

9 (3) Most of the violence on television is pre-  
10 sented during times when children are likely to be  
11 viewing.

12 (4) The television parental guidelines were de-  
13 vised by the network industry and will be adminis-  
14 tered by an oversight monitoring board comprised  
15 only of representatives from the industry. Parental  
16 and viewer input has been limited. In addition, the  
17 broadcast and cable networks and local broadcasters  
18 will assign the rating system to programs, thus lim-  
19 iting parental and viewer input to focus groups.

20 (5) Numerous other studies establish a causal  
21 connection between watching violence on television  
22 and increasingly violent behavior of children.

23 **SEC. 3. AMENDMENT.**

24 Title VII of the Communications Act of 1934 is  
25 amended by adding at the end the following new section:

1 **“SEC. 715. COMPILATION AND PUBLICATION OF COM-**  
2 **PLAINTS CONCERNING VIOLENT PROGRAM-**  
3 **MING AND TELEVISION RATING GUIDELINES.**

9           tribution, the broadcast or cable network and broad-  
10          cast station, and the program name, date, and time;  
11          and

12          “(3) a statement of observed trends in such

2 or made available under this subsection the name and ad-

7 this section. Such analysis shall include—

8 “(1) an evaluation of whether, consistent with  
9 its obligations to serve the public interest and meet

13 ceived pursuant to this section regarding video pro-  
14 gramming containing depictions of violence and  
15 other patently offensive material; and

16 “(2) such recommendations as the Commission
