IN THE HOUSE OF REPRESENTATIVES

March 20, 1997

Mr. KILDEE (for himself, Mr. NEY, Mr. CLEMENT, Mr. DUNCAN, Mr. FOLEY, and Mr. KLECZKA) introduced the following bill; which was referred to the Committee on Education and the Workforce

A BILL

To provide collective bargaining rights for public safety officers employed by States or their political subdivisions.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- This Act may be cited as the "Public Safety Em-
- 5 ployer-Employee Cooperation Act of 1997".
- 6 SEC. 2. DECLARATION OF PURPOSE AND POLICY.
- 7 The Congress declares that the following is the policy
- 8 of the United States:
- 9 (1) Labor-management relationships and part-
- 10 nerships are based on trust, mutual respect, open

communications, bilateral and consensual problem solving, and shared accountability. Dispute resolution procedures are fair, determinative, simple, fast and inexpensive, and effectively and swiftly deal with issues. Labor-management cooperation fully utilizes the strengths of both parties to best serve the interests of the public, operating as a team to carry out the public safety mission in a quality work environment. In many public safety agencies it is the union that provides the institutional stability as elected leaders and appointees come and go.

- (2) The health and safety of the Nation and the best interest of public safety employers and employees can be best protected by the settlement of issues through the processes of collective bargaining.
- (3) The Federal Government shall make available governmental facilities for conciliation, mediation, and voluntary arbitration to aid and encourage employers and the representatives of their employees to reach and maintain agreements concerning rates of pay, hours, and working conditions, and to make all reasonable efforts to settle their differences by mutual agreement reached through collective bargaining or by such methods as may be

1	provided for in any applicable agreement for the set-
2	tlement of disputes.
3	(4) Certain controversies which arise involving
4	collective bargaining agreements may be avoided or
