

105TH CONGRESS
1ST SESSION

H. R. 2131

To amend the Elementary and Secondary Education Act of 1965 to ensure that teachers receive technology training.

IN THE HOUSE OF REPRESENTATIVES

JULY 9, 1997

Mr. WEYGAND introduced the following bill; which was referred to the Committee on Education and the Workforce

A BILL

To amend the Elementary and Secondary Education Act of 1965 to ensure that teachers receive technology training.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. TEACHER TECHNOLOGY TRAINING.**

4 Section 3135(b) of the Elementary and Secondary
5 Education Act of 1965 is amended to read as follows:

6 “(b) USE OF FUNDS.—

7 “(1) RESERVATIONS.—Not less than 20 percent
8 of the amounts awarded pursuant to subsection (a)
9 shall be used to train teachers and librarians to en-
10 sure a level of proficiency in the use of technology.

1 “(2) GENERAL USE.—The remaining amounts
2 available under this section shall be used for activi-
3 ties similar to the activities described in section
4 3134.”.
