19 raise in every relevant bilateral and multilateral forum the
20 issue of individuals imprisoned, detained, confined, or oth-
21 erwise harassed by the Chinese Government on religious
22 grounds. In its communications with the Chinese Govern-
23 ment, the Department of State should provide specific
24 names of individuals of concern and request a complete
25 and timely response from the Chinese Government regard-

1 ing the individuals' whereabouts and condition, the
2 charges against them, and sentence imposed. The goal of
3 these official communications should be the expeditious re-
4 lease of all religious prisoners in China and the end of
5 the Chinese Government's policy and practice of harassing
6 and repressing religious believers.
