

105TH CONGRESS  
2D SESSION

# H. R. 3866

To provide for the conservation and development of water and related resources, to authorize the Secretary to construct various projects for improvements to rivers and harbors of the United States, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

MAY 14, 1998

Mr. SHUSTER (for himself, Mr. OBERSTAR, Mr. BOEHLERT, and Mr. BORSKI)  
(all by request) introduced the following bill; which was referred to the  
Committee on Transportation and Infrastructure

---

## A BILL

To provide for the conservation and development of water and related resources, to authorize the Secretary to construct various projects for improvements to rivers and harbors of the United States, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4       (a) SHORT TITLE.—This Act may be cited as the  
5       “Water Resources Development Act of 1998”.

6       (b) TABLE OF CONTENTS.—

Sec. 1. Short title; table of contents.  
Sec. 2. Definitions.  
Sec. 3. Project authorizations.

- Sec. 4. Flood hazard mitigation and Riverine Ecosystem Restoration Program.
- Sec. 5. Shore protection.
- Sec. 6. Small flood control projects.
- Sec. 7. Use of non-Federal funds for compiling and disseminating information on floods and flood damages.
- Sec. 8. Everglades and South Florida ecosystem restoration.
- Sec. 9. Aquatic ecosystem restoration.
- Sec. 10. Beneficial uses of dredged material.
- Sec. 11. Cooperative agreements for natural resources, environmental protection, conservation, and recreation measures.
- Sec. 12. Contributions by States and political subdivisions.
- Sec. 13. Recreation user fees.
- Sec. 14. Shoreline Management Program fees.
- Sec. 15. Water resources development studies for the Pacific region.
- Sec. 16. Water Resources Foundation.
- Sec. 17. Regulatory Program funding.
- Sec. 18. Flood mitigation near Pierre, South Dakota.
- Sec. 19. Lower Missouri River Aquatic Restoration Projects.
- Sec. 20. Payment option, Moorefield, West Virginia.

## 1 **SEC. 2. DEFINITIONS.**

2 For purposes of this Act the term “Secretary” means  
3 the Secretary of the Army.

## 4 **SEC. 3. PROJECT AUTHORIZATIONS.**

5 (a) PROJECTS WITH REPORTS.—The following  
6 projects for water resources development and conservation  
7 and other purposes are authorized to be carried out by  
8 the Secretary substantially in accordance with the plans,  
9 and subject to the conditions, described in the respective  
10 reports designated in this section:

11 (1) AMERICAN RIVER WATERSHED, CALIFOR-  
12 NIA.—

13 (A) GENERAL.—The project for flood dam-  
14 age reduction described as the Folsom Stepped  
15 Release Plan in the U.S. Army Corps of Engi-  
16 neers Supplemental Information Report for the

1 American River Watershed Project, California,  
2 dated March 1996 is authorized for construc-  
3 tion at a total cost of \$464,600,000, with an es-  
4 timated Federal cost of \$302,000,000 and an  
5 estimated non-Federal cost of \$162,600,000.

6 (B) IMPLEMENTATION.—

7 (i) Implementation of the measures by  
8 the Secretary pursuant to paragraph (A)  
9 of this subsection shall be undertaken sub-  
10 sequent to the levee stabilization and  
11 strengthening and flood warning features  
12 authorized in section 101(a)(1) of Public  
13 Law 104–303 (110 Stat. 3662–3663).

14 (ii) The Secretary may undertake  
15 measures at the Folsom Dam and Res-  
16 ervoir authorized pursuant to paragraph  
17 (A) only after reviewing the design of such  
18 measures to determine if modifications are  
19 necessary to account for changed hydro-  
20 logic conditions and any other changed  
21 conditions in the project area, including  
22 operational and construction impacts that  
23 have occurred since completion of the Re-  
24 port referred to in paragraph (A) of this  
25 subsection. The Secretary shall conduct the

1 review and develop such modifications to  
2 the Folsom Dam with the full participation  
3 of the Secretary of the Interior.

4 (iii) Implementation of the remaining  
5 downstream elements authorized pursuant  
6 to paragraph (A) may be undertaken only  
7 after the Secretary, in consultation with  
8 affected Federal, State, Regional, and local  
9 entities, has reviewed the elements to de-  
10 termine if modifications are necessary to  
11 address changes in the hydrologic condi-  
12 tions, any other changed conditions in the  
13 project area that have occurred since com-  
14 pletion of the Report referred to in para-  
15 graph (A) of this subsection and any de-  
16 sign modifications for the Folsom Dam  
17 and Reservoir made by the Secretary in  
18 implementing the measures referred to in  
19 paragraph (B)(ii), and has issued a report  
20 on the review.

21 (2) AMITE RIVER AND TRIBUTARIES, LOUISI-  
22 ANA, EAST BATON ROUGE PARISH WATERSHED.—  
23 The project for flood damage reduction and recre-  
24 ation, Amite River and Tributaries, Louisiana, East  
25 Baton Rouge Parish Watershed: Report of the Chief

1 of Engineers, dated December 23, 1996, at a total  
2 cost of \$110,045,000, with an estimated Federal  
3 cost of \$71,343,000 and an estimated non-Federal  
4 cost of \$38,702,000.

5 (3) GUANAJIBO RIVER, PUERTO RICO.—The  
6 project for flood damage reduction, Guanajibo River,  
7 Puerto Rico: Report of the Chief of Engineers, dated  
8 February 27, 1996, at a total cost of \$27,441,000,  
9 with an estimated Federal cost of \$17,837,000 and  
10 an estimated non-Federal cost of \$9,604,000.

11 (4) RIO NIGUA AT SALINAS, PUERTO RICO.—  
12 The project for flood damage reduction, Rio Nigua  
13 at Salinas, Puerto Rico: Report of the Chief of Engi-  
14 neers, dated April 15, 1997, at a total cost of  
15 \$13,565,000, with an estimated Federal cost of  
16 \$7,079,000 and an estimated non-Federal cost of  
17 \$6,486,000.

18 (b) PROJECTS SUBJECT TO A REPORT.—The follow-  
19 ing project for water resources development and conserva-  
20 tion and other purposes is authorized to be carried out  
21 by the Secretary substantially in accordance with the plans  
22 and subject to the conditions recommended in a report of  
23 the Chief of Engineers, as approved by the Secretary:

24 (1) GRAND FORKS, NORTH DAKOTA, AND EAST  
25 GRAND FORKS, MINNESOTA.—The project for flood

1 damage reduction and recreation, Grand Forks,  
2 North Dakota and East Grand Forks, Minnesota,  
3 Report of the Chief of Engineers consisting of set-  
4 back levees and floodwalls, at a total cost of  
5 \$281,754,000, with an estimated Federal cost of  
6 \$140,877,000 and an estimated non-Federal cost of  
7 \$140,877,000.

8 **SEC. 4. FLOOD HAZARD MITIGATION AND RIVERINE ECO-**  
9 **SYSTEM RESTORATION PROGRAM.**

10 (a) IN GENERAL.—The Secretary is authorized to  
11 undertake a program to reduce flood hazards and to re-  
12 store the natural functions and values of riverine eco-  
13 systems throughout the United States. In carrying out the  
14 program, the Secretary may conduct studies to identify  
15 appropriate flood damage reduction, conservation, and  
16 restoration measures and may design and implement wa-  
17 tershed management and restoration projects. The studies  
18 and projects carried out under this authority shall be con-  
19 ducted, to the maximum extent practicable, with the full  
20 participation of the appropriate Federal agencies, includ-  
21 ing the Department of Agriculture, the Federal Emer-  
22 gency Management Agency, the Department of the Inte-  
23 rior, the Environmental Protection Agency, and the De-  
24 partment of Commerce. Such studies and projects shall,

1 to the maximum extent practicable, emphasize non-struc-  
2 tural approaches to preventing or reducing flood damages.

3 (b) COST-SHARING REQUIREMENTS.—The cost of  
4 studies conducted under this authority shall be shared in  
5 accordance with section 105 of the Water Resources De-  
6 velopment Act of 1986 (100 Stat. 4088–4089) as amend-  
7 ed by section 203 of the Water Resources Development  
8 Act of 1996 (110 Stat. 3677–3678). The non-Federal in-  
9 terests shall pay 35 percent of the cost of any environ-  
10 mental restoration or non-structural flood control project  
11 carried out under this authority. The non-Federal inter-  
12 ests shall provide all lands, easements, rights-of-way,  
13 dredged material disposal areas, and relocations necessary  
14 for such projects, and the value of such lands, easements,  
15 rights-of-way, dredged material disposal areas, and reloca-  
16 tions shall be credited toward the payment required under  
17 this subsection. For any structural flood control measures  
18 carried out under this authority, the cost sharing shall be  
19 in accordance with section 103(a) of the Water Resources  
20 Development Act of 1986 as amended by section 202 of  
21 the Water Resources Development Act of 1996 (33 U.S.C.  
22 2213(a)). The non-Federal interests shall be responsible  
23 for all costs associated with operating, maintaining, re-  
24 placing, repairing, and rehabilitating all projects carried  
25 out under this authority.

1 (c) PROJECT JUSTIFICATION.—

2 (1) Notwithstanding any other provision of law  
3 or requirement for economic justification established  
4 pursuant to 42 U.S.C. 1962–2, the Secretary may  
5 implement a project under this authority provided  
6 the Secretary determines that the project—

7 (A) will significantly reduce potential flood  
8 damages;

9 (B) will improve the quality of the environ-  
10 ment; and

11 (C) is justified considering all costs and  
12 beneficial outputs of the project.

13 (2) Within 180 days of the date of enactment  
14 of this section the Secretary shall develop criteria for  
15 selecting and rating the projects to be carried out as  
16 a part of the Program authorized by this section and  
17 shall establish policies and procedures for carrying  
18 out the studies and projects undertaken under this  
19 authority.

20 (d) REPORTING REQUIREMENT.—The Secretary may  
21 not implement a project under this authority until—

22 (1) the Secretary provides to the appropriate  
23 committees of Congress a written notification de-  
24 scribing the project and the determinations reached  
25 pursuant to subsection (c); and

1           (2) a period of 21 calendar days has expired  
2       following the date on which the notification was re-  
3       ceived by the Committees.

4       (e) PROGRAM REVIEW.—The program established  
5       pursuant to this section shall be subject to an independent  
6       review to evaluate the efficiency of the program in achiev-  
7       ing the dual goals of flood hazard mitigation and eco-  
8       system restoration. The Secretary shall transmit a report  
9       on the findings of the review conducted under this sub-  
10      section to the Congress by April 2004, together with any  
11      recommendations for continuing the program.

12      (f) PER PROJECT LIMITATION.—No more than  
13      \$75,000,000 in Army Civil Works appropriations may be  
14      expended on any single project undertaken under this au-  
15      thority.

16      (g) AUTHORIZATION OF APPROPRIATIONS.—There is  
17      authorized to be appropriated to carry out this section  
18      \$25,000,000 for each fiscal year for fiscal years 1999 and  
19      2000; \$50,000,000 for fiscal year 2001; and \$75,000,000  
20      for each fiscal year for fiscal years 2002 through 2004.  
21      All studies and projects undertaken under this authority  
22      from Army Civil Works appropriations shall be fully fund-  
23      ed within the program funding levels provided in this sub-  
24      section.

1 **SEC. 5. SHORE PROTECTION.**

2 Section 103(d) of the Water Resources Development  
3 Act of 1986 (100 Stat. 4085–5086) is amended by—

4 (1) inserting the following immediately before  
5 the phrase “Costs of constructing projects or meas-  
6 ures for beach erosion control”:

7 “(1) CONSTRUCTION.—”; and

8 (2) inserting a new paragraph (2) as follows:

9 “(2) PERIODIC NOURISHMENT.—The non-Fed-  
10 eral cost of the periodic nourishment of projects or  
11 measures for shore protection or beach erosion con-  
12 trol shall be 65 percent, except that all costs as-  
13 signed to benefits to privately owned shores (where  
14 use of such shores is limited to private interests) or  
15 to prevention of losses of private lands shall be  
16 borne by the non-Federal interest and all costs as-  
17 signed to the protection of federally owned shores  
18 shall be borne by the United States.”.

19 **SEC. 6. SMALL FLOOD CONTROL PROJECTS.**

20 Section 205 of the Flood Control Act of 1948 as  
21 amended (33 U.S.C. 701s) is further amended by—

22 (1) striking “construction of small projects”  
23 and inserting in lieu thereof “implementation of  
24 small structural and nonstructural projects”; and

25 (2) striking “\$5,000,000” and inserting in lieu  
26 thereof “\$7,000,000”.

1 **SEC. 7. USE OF NON-FEDERAL FUNDS FOR COMPILING AND**  
2 **DISSEMINATING INFORMATION ON FLOODS**  
3 **AND FLOOD DAMAGES.**

4 Section 206(b) of the Flood Control Act of 1960 as  
5 amended (33 U.S.C. 709a(b)) is further amended by add-  
6 ing the following language immediately following the word  
7 “section” in the last sentence of that subsection: “, except  
8 that this limitation on fees shall not apply to funds volun-  
9 tarily contributed by such entities for the purpose of ex-  
10 panding the scope of the services requested by such enti-  
11 ties”.

12 **SEC. 8. EVERGLADES AND SOUTH FLORIDA ECOSYSTEM**  
13 **RESTORATION.**

14 Subsections (b)(3)(B) and (b)(3)(C)(i) of section 528  
15 of the Water Resources Development Act of 1996 (110  
16 Stat. 3769) are amended by striking “1999” and inserting  
17 in lieu thereof “2000”.

18 **SEC. 9. AQUATIC ECOSYSTEM RESTORATION.**

19 Section 206(c) of the Water Resources Development  
20 Act of 1996 (110 Stat. 3679–3680) is amended by insert-  
21 ing a new sentence at the end thereof as follows: “Not-  
22 withstanding 42 U.S.C. 1962d–5b(b), for any project un-  
23 dertaken under this authority, a non-Federal interest may  
24 also include a non-profit entity.”.

1 **SEC. 10. BENEFICIAL USES OF DREDGED MATERIAL.**

2 Section 204 of the Water Resources Development Act  
3 of 1992 (106 Stat. 4826) as amended by section 207 of  
4 the Water Resources Development Act of 1996 (110 Stat.  
5 3680) is further amended by—

6 (1) striking “cooperative agreement in accord-  
7 ance with the requirements of section 221 of the  
8 Flood Control Act of 1970” from subsection (c) and  
9 inserting in lieu thereof “binding agreement with the  
10 Secretary”; and

11 (2) inserting a new subsection (g) as follows:

12 “(g) NON-FEDERAL INTERESTS.—Notwithstanding  
13 42 U.S.C. 1962d–5b(b), for any project carried out under  
14 this section, a non-Federal interest may also include a  
15 non-profit entity.”.

16 **SEC. 11. COOPERATIVE AGREEMENTS FOR NATURAL RE-**  
17 **SOURCES, ENVIRONMENTAL PROTECTION,**  
18 **CONSERVATION, AND RECREATION MEAS-**  
19 **URES.**

20 The Secretary is authorized to enter into cooperative  
21 agreements with non-Federal public bodies and non-profit  
22 entities for the purpose of facilitating collaborative efforts  
23 involving environmental protection and restoration, natu-  
24 ral resources, conservation, and recreation in connection  
25 with the development, operation, and management of

1 water resources projects under the jurisdiction of the De-  
2 partment of the Army.

3 **SEC. 12. CONTRIBUTIONS BY STATES AND POLITICAL SUB-**  
4 **DIVISIONS.**

5 Section 5 of the Flood Control Act of 1936 as amend-  
6 ed by Public Law 208, 75th Congress (33 U.S.C. 701h)  
7 is further amended by inserting the words “or environ-  
8 mental restoration” after the words “flood control”.

9 **SEC. 13. RECREATION USER FEES.**

10 (a) During fiscal years 1999 through 2002, the Sec-  
11 retary may withhold from the special account established  
12 pursuant to 16 U.S.C. 460l–6a(i)(1)(A) 100 percent of the  
13 amount of receipts above a base line of \$34,000,000 per  
14 each fiscal year received from fees imposed at recreation  
15 sites under the administrative jurisdiction of the Depart-  
16 ment of the Army pursuant to 16 U.S.C. 460l–6a(b). The  
17 amounts withheld shall be retained by the Secretary and  
18 shall be available, without further appropriation, for ex-  
19 penditure by the Secretary in accordance with the provi-  
20 sions of this section. Such amounts shall remain available  
21 through September 30, 2005.

22 (b) In order to increase the quality of the visitor expe-  
23 rience at public recreational areas and to enhance the pro-  
24 tection of resources, the amounts withheld pursuant to  
25 subsection (a) and available for expenditure may only be

1 used for backlogged repair and maintenance projects (in-  
2 cluding projects relating to health and safety) and for in-  
3 terpretation, signage, habitat or facility enhancement, re-  
4 source preservation, annual operation (including fee collec-  
5 tion), maintenance, and law enforcement related to public  
6 use.

7 (c)(1) Eighty percent of the total amount withheld  
8 by the Secretary shall be available for expenditure without  
9 further appropriation at the specific site from which such  
10 funds, above baseline, are collected, and shall be accounted  
11 for separately.

12 (2) Twenty percent of the total amount withheld by  
13 the Secretary shall be available for expenditure without  
14 further appropriation for use on an agency-wide basis and  
15 shall be accounted for separately.

16 **SEC. 14. SHORELINE MANAGEMENT PROGRAM FEES.**

17 No later than 12 months after the date of enactment  
18 of this Act and every five years thereafter, the Secretary  
19 shall review the Shoreline Management Program adminis-  
20 tered by the Army Corps of Engineers at water resources  
21 development projects under the jurisdiction of the Depart-  
22 ment of the Army to determine the costs associated with  
23 administering the Program. Each review conducted pursu-  
24 ant to this section shall include an analysis of the fee  
25 schedule in place at the time the review is initiated. If

1 the Secretary determines that adjustments to the fee  
2 schedule are necessary in order to ensure collection of rev-  
3 enues sufficient to cover the costs of administering the  
4 Program, the Secretary may make those adjustments in  
5 accordance with applicable regulations.

6 **SEC. 15. WATER RESOURCES DEVELOPMENT STUDIES FOR**  
7 **THE PACIFIC REGION.**

8 Section 444 of the Water Resources Development Act  
9 of 1996 (110 Stat. 3747) is amended by striking the  
10 phrase “interest of navigation” and inserting the following  
11 in lieu thereof: “interests of water resources development,  
12 including navigation, flood damage reduction, and environ-  
13 mental restoration”.

14 **SEC. 16. WATER RESOURCES FOUNDATION.**

15 (a) ESTABLISHMENT.—There is established the  
16 Water Resources Foundation (hereinafter referred to as  
17 the “Foundation”) as a charitable and nonprofit corpora-  
18 tion domiciled in the District of Columbia, which is not  
19 an agency or establishment of the United States.

20 (b) PURPOSES.—The purposes of the Foundation are  
21 to—

22 (1) encourage, accept, and administer private  
23 gifts of money, and of real and personal property for  
24 the benefit of, or in connection with, the activities  
25 and services of the Army Corps of Engineers in

1 managing natural resources at water resources de-  
2 velopment projects administered by the Department  
3 of the Army;

4 (2) undertake and conduct such other activities  
5 as will further the conservation and management of  
6 natural, scenic, historic and recreational resources at  
7 such projects;

8 (3) further a stewardship ethic among Amer-  
9 ican citizens to conserve and utilize the diverse natu-  
10 ral resources available at such projects;

11 (4) initiate and support programs that broaden  
12 and enhance the services, facilities, and educational  
13 and interpretive activities for visitors to such  
14 projects; and

15 (5) strengthen and improve the various means  
16 by which the Army Corps of Engineers uses its  
17 human and financial resources to manage the natu-  
18 ral resources at such projects.

19 (c) LIMITATIONS AND CONFLICTS OF INTERESTS.—

20 (1) The Foundation shall not participate or in-  
21 tervene in a political campaign on behalf of any can-  
22 didate for public office.

23 (2) No director, officer, or employee of the  
24 Foundation shall participate, directly or indirectly,

1 in the consideration or determination of any ques-  
2 tion before the Foundation affecting—

3 (A) the financial interests of the director,  
4 officer, or employee; or

5 (B) the interests of any corporation part-  
6 nership, entity, or organization in which such  
7 director, officer, or employee—

8 (i) is an officer, director, or trustee;

9 or

10 (ii) has any direct or indirect financial  
11 interest.

12 (d) TAX EXEMPT STATUS.—For purposes of section  
13 501(c)(3) of title 26 of the United States Code, the Foun-  
14 dation shall be treated as organized and operated exclu-  
15 sively for charitable purposes in calendar years 1998 and  
16 1999. For calendar years 2000 and thereafter, the Foun-  
17 dation shall be required to maintain its tax exempt status  
18 in the manner as prescribed by the Secretary of the Treas-  
19 ury for similar tax exempt organizations.

20 (e) BOARD OF DIRECTORS AND GOVERNANCE OF  
21 THE FOUNDATION.—

22 (1) The Foundation shall have a governing  
23 Board of Directors (hereinafter referred to as the  
24 “Board”), which shall consist of nine Directors, each  
25 of whom shall be a United States citizen and none

1 of whom shall be an employee of the Federal govern-  
2 ment. Members of the Board shall be appointed by  
3 the Secretary and shall be educated in or have ac-  
4 tual experience in natural or cultural resource man-  
5 agement, recreation management, or law. To the ex-  
6 tent practicable, the membership of the Board shall  
7 represent diverse points of view relating to natural  
8 and cultural resource issues. The Secretary or a des-  
9 ignee shall serve as a liaison to the Board. Appoint-  
10 ment to the Board shall not constitute employment  
11 by, or the holding of an office of, the United States  
12 for the purposes of any Federal law.

13 (2) Within one year after the date of enactment  
14 of this Act, the Secretary shall appoint the initial  
15 members of the Board of Directors. Of these initial  
16 members, three shall be appointed for a term of two  
17 years, three members shall be appointed for a term  
18 of three years, and three members shall be appointed  
19 for a term of four years. All subsequent appoint-  
20 ments to the Board shall be for a term of four years.

21 (3) The Chairperson shall be elected by the  
22 Board from its members. A chairperson shall serve  
23 for a two-year term and may be re-elected to the  
24 post during the Chairperson's tenure as a Director.

1           (4) A majority of the current voting member-  
2           ship of the Board shall constitute a quorum for the  
3           transaction of business.

4           (5) The Board shall meet at the call of the  
5           Chairperson at least once a year. If a Director  
6           misses three consecutive regularly scheduled meet-  
7           ings, that individual may be removed from the  
8           Board by majority vote of the Board of Directors  
9           and that vacancy filled in accordance with paragraph  
10          (2) of this subsection.

11          (6) Voting members of the Board shall serve  
12          without pay, but may be reimbursed for the actual  
13          and necessary traveling and subsistence expenses in-  
14          curred by them in the performance of their duties  
15          for the Foundation. Such reimbursement may not  
16          exceed such amount as would be authorized under  
17          section 5703 of title 5, for the payment of expenses  
18          and allowances for individuals employed intermit-  
19          tently in the Federal Government service.

20          (7) The Board may complete the organization  
21          of the Foundation by appointing employees, adopt-  
22          ing a constitution and bylaws consistent with the  
23          purposes of the Foundation and the provisions of  
24          this section, and undertaking such acts as may be

1 necessary to function and carry out the provisions of  
2 this section.

3 (8) Officers and employees shall not be ap-  
4 pointed or hired by the Board until the Foundation  
5 has sufficient funds to pay for their services. Such  
6 officers or employees of the Foundation shall not be  
7 considered Federal employees for any purpose, in-  
8 cluding the provisions of title 5, governing appoint-  
9 ments in the competitive service, and may be paid  
10 without regard to the provisions of chapter 51 and  
11 subchapter III of chapter 53 of such title relating to  
12 classification and General Schedule pay rates, except  
13 that no individual so appointed may receive pay in  
14 excess of the annual rate of basic pay in effect for  
15 Level V of the Executive Schedule.

16 (9) Prior to the appointment or hiring of any  
17 other individual, the Board shall appoint an individ-  
18 ual to serve as the Executive Director of the Board,  
19 who shall serve at the direction of the Board as its  
20 chief operating officer and who shall be knowledge-  
21 able and experienced in matters relating to natural  
22 and cultural resource management.

23 (f) CORPORATE POWERS AND OBLIGATIONS.—

24 (1) The Foundation—

25 (A) shall have perpetual succession;

1 (B) may conduct business throughout the  
2 several States, territories, and possessions of  
3 the United States;

4 (C) shall have its principal offices in the  
5 Washington, DC, metropolitan area; and

6 (D) shall at all times maintain a des-  
7 ignated agent in the District of Columbia au-  
8 thorized to accept service of process for the  
9 Foundation.

10 (2) The serving of notice to, or service of proc-  
11 ess upon, the agent required under this subsection,  
12 or mailed to the business address of such agent,  
13 shall be deemed as service upon or notice to the  
14 Foundation.

15 (3) The Foundation shall have an official seal  
16 selected by the Board which shall be judicially no-  
17 ticed.

18 (4) To carry out its purposes, the Foundation  
19 shall have, in addition to powers otherwise author-  
20 ized under this section, the usual powers of a cor-  
21 poration in the District of Columbia, including the  
22 power—

23 (A) to accept, receive, solicit, hold, admin-  
24 ister and use any gift, devise, or bequest, either  
25 absolutely or in trust, of real or personal prop-

1           erty or any income therefrom or other interest  
2           therein;

3           (B) to acquire by purchase or exchange  
4           any real or personal property or interest there-  
5           in;

6           (C) unless otherwise required by the in-  
7           strument of transfer, to sell, donate, lease, in-  
8           vest, reinvest, retain or otherwise dispose of any  
9           property or income therefrom;

10          (D) to sue and be sued, and complain and  
11          defend itself in any court of competent jurisdic-  
12          tion, except that the Directors of the Board  
13          shall not be personally liable, except for gross  
14          negligence;

15          (E) to enter into contracts or other ar-  
16          rangements with public agencies, private orga-  
17          nizations, and persons and to make such pay-  
18          ments as may be necessary to carry out its  
19          functions; and

20          (F) to do any and all acts necessary and  
21          proper to carry out the purposes of the Founda-  
22          tion.

23       (g) PROPERTY.—

24           (1) The Foundation may acquire, hold, and dis-  
25       pose of lands, waters, or other interests in real prop-

1       erty by donation, gift, devise, purchase or exchange.  
2       For the purposes of this section, an interest in real  
3       property shall include, but not be limited to, mineral  
4       and water rights, rights of way, and easements ap-  
5       purtenant or in gross. Nothing in this section shall  
6       be construed to be applied to real or personal prop-  
7       erty of the United States of America.

8               (2) No lands or waters, or interests therein,  
9       that are owned by the Foundation and are deter-  
10      mined by the Secretary to be valuable for purposes  
11      established in this section shall be subject to con-  
12      demnation by any State or political subdivision, or  
13      any agent or instrumentality thereof.

14      (h) ADMINISTRATIVE SUPPORT.—The Secretary may  
15      reimburse the Foundation for expenses incurred pursuant  
16      to subsection (e) of this section, except that reimburse-  
17      ment for traveling and subsistence payments may not ex-  
18      ceed then current Federal Government per diem rates.

19      (i) AUDITS AND REPORT REQUIREMENTS.—

20               (1) For purposes of the Act entitled “An Act  
21      for audit of accounts of private corporations estab-  
22      lished under Federal law”, approved August 30,  
23      1964 (36 U.S.C. 1101 through 1103; Public Law  
24      88–504) the Foundation shall be treated as a pri-  
25      vate corporation established under Federal law.

1           (2) The Foundation shall transmit to the Sec-  
2       retary each year a report of its proceedings and ac-  
3       tivities of the previous year, including a full and  
4       complete statement of its receipts, expenditures, and  
5       investments.

6       (j) RELEASE FROM LIABILITY.—The United States  
7       shall not be liable for any debts, defaults, acts or omissions  
8       of the Foundation nor shall the full faith and credit of  
9       the United States extend to any obligations of the Foun-  
10      dation.

11      (k) ACTIVITIES OF THE FOUNDATION AND ARMY  
12      CORPS OF ENGINEERS.—The activities of the Foundation,  
13      authorized under the provisions of this Act shall be supple-  
14      mental to and shall not preempt any authority or respon-  
15      sibility of the Army Corps of Engineers under any other  
16      provision of law.

17      (l) AUTHORIZATION OF APPROPRIATIONS.—For the  
18      purposes of reimbursing providing the Foundation for cer-  
19      tain costs, as provided for in subsection (h) of this section,  
20      there is authorized to be appropriated to the Department  
21      of the Army \$300,000 for each of fiscal years 1999, 2000,  
22      and 2001.

23      **SEC. 17. REGULATORY PROGRAM FUNDING.**

24      (a) The Secretary shall establish and collect fees from  
25      permit applicants for the evaluation of commercial permit

1 applications; the preparation of Environmental Impact  
2 Statements as required by the National Environmental  
3 Policy Act of 1969 in connection with such commercial  
4 permit applications; and the delineation of wetlands for  
5 major developments affecting wetlands.

6 (b) There is hereby established as a special account  
7 in the Treasury of the United States the “Army Civil  
8 Works Regulatory Program Account” (hereafter referred  
9 to as the “Regulatory Program Account”) into which shall  
10 be deposited fees collected by the Secretary pursuant to  
11 subsection (a) of this section. Amounts deposited into the  
12 Regulatory Program Account shall be available to the Sec-  
13 retary, as provided in Appropriation Acts, to apply toward  
14 the costs incurred by the Department of the Army in ad-  
15 ministering laws pertaining to the regulation of the navi-  
16 gable waters of the United States including wetlands, in  
17 addition to appropriations otherwise available for the same  
18 purpose.

19 **SEC. 18. FLOOD MITIGATION NEAR PIERRE, SOUTH DA-**  
20 **KOTA.**

21 (a) GENERAL.—(1) To provide full operation capabil-  
22 ity to carry out the authorized purposes of the Missouri  
23 River Main Stem dams that are part of the Pick-Sloan  
24 Missouri River Basin Program authorized by section 9 of  
25 the Act entitled “An Act authorizing the construction of

1 certain public works on rivers and harbors for flood con-  
2 trol, and other purposes” approved December 22, 1944,  
3 the Secretary may acquire from willing sellers such land  
4 and property in the vicinity of Pierre, South Dakota, or  
5 floodproof or relocate such property within the project  
6 area, as the Secretary determines is adversely affected by  
7 the full wintertime Oahe Powerplant releases, provided  
8 that non-Federal interests pay 35 percent of the cost of  
9 the work. Any lands that are acquired under this authority  
10 will be kept in public ownership and will be dedicated and  
11 maintained in perpetuity for a use that is compatible with  
12 any remaining flood threat.

13       (2) The Secretary may not obligate funds to imple-  
14 ment this section until the Secretary has completed a re-  
15 port addressing the criteria for selecting which properties  
16 are to be acquired, relocated or floodproofed, and a plan  
17 for implementing such measures. This report should be  
18 completed no later than one year after funding is made  
19 available. The report and implementation plan should be  
20 coordinated with the Federal Emergency Management  
21 Agency, and both should be prepared in consultation with  
22 other Federal agencies, and State and local officials, and  
23 residents. Such report should take into account informa-  
24 tion from prior and ongoing studies.

1 (b) STUDY COST-SHARING REQUIREMENTS.—The  
2 cost of studies conducted under this authority shall be  
3 shared in accordance with section 105 of the Water Re-  
4 sources Development Act of 1986 (100 Stat. 4088–4089),  
5 as amended.

6 (c) AUTHORIZATION FOR APPROPRIATIONS.—There  
7 is authorized to be appropriated to carry out this section  
8 funds not to exceed \$25,000,000.

9 **SEC. 19. LOWER MISSOURI RIVER AQUATIC RESTORATION**  
10 **PROJECTS.**

11 (a) IN GENERAL.—Not later than one year after  
12 funds are made available for such purposes, the Secretary  
13 shall finalize a comprehensive report—

14 (1) identifying a general implementation strat-  
15 egy and overall plan for environmental restoration  
16 and protection along the Lower Missouri River be-  
17 tween Gavins Point Dam and the confluence of the  
18 Missouri and Mississippi Rivers; and

19 (2) recommending individual environmental res-  
20 toration projects that can be considered by the Sec-  
21 retary for implementation under section 206 of the  
22 Water Resources Development Act of 1996 (110  
23 Stat. 3679–3680).

24 (b) SCOPE OF PROJECTS.—Any environmental res-  
25 toration projects carried out pursuant to subsection (a)

1 shall provide for such activities and measures as the Sec-  
2 retary determines to be necessary to protect and restore  
3 fish and wildlife habitat without adversely affecting pri-  
4 vate property rights or water related needs of the region  
5 surrounding the Missouri River, including flood control,  
6 navigation, and enhancement of water supply and shall in-  
7 clude some or all of the following components:

8           (1) modification and improvement of navigation  
9       training structures to protect and restore fish and  
10      wildlife habitat;

11           (2) modification and creation of side channels  
12      to protect and restore fish and wildlife habitat;

13           (3) restoration and creation of island fish and  
14      wildlife habitat;

15           (4) creation of riverine fish and wildlife habitat;  
16      and

17           (5) physical and biological monitoring for evalu-  
18      ating the success of the projects.

19       (c) COORDINATION.—The Secretary shall, to the  
20 maximum extent practicable, integrate projects carried out  
21 in accordance with this section with other Federal, Tribal,  
22 and State restoration activities.

23       (d) COST SHARING.—The report to be carried out  
24 pursuant to subsection (a) shall be undertaken at full Fed-  
25 eral expense.

1 **SEC. 20. PAYMENT OPTION, MOOREFIELD, WEST VIRGINIA.**

2       The Secretary may permit the non-Federal sponsor  
3 for the project for flood control, Moorefield, West Virginia,  
4 to pay without interest the remaining non-Federal cost  
5 over a period not to exceed thirty years to be determined  
6 by the Secretary.
