8 **SEC. 101. FINDINGS AND PURPOSES.**

9 Section 3 of the Commodity Exchange Act (7 U.S.C.
10 5) is amended to read as follows:

11 **“SEC. 3. FINDINGS AND PURPOSES.**

12 “(a) FINDINGS.—The Congress finds the following:

13 “(1) Commodity futures and commodity options
14 are traded in interstate commerce, and the regula-
15 tion of transactions in or involving commodity fu-
16 tures and commodity options is in the national pub-
17 lic interest.

1 “(2) Commodity futures and commodity options
2 transactions are used to hedge and manage price or
3 other economic risks faced by businesses and finan-
4 cial enterprises throughout the world.

5 “(3) Such hedging activity allows businesses
6 and financial enterprises to operate in a more effi-
7 cient manner, with corresponding benefits to con-
8 sumers and others served by these businesses and
9 enterprises.

10 “(4) Liquid trading in commodity futures and
11 commodity options contracts also provides a mecha-
12 nism for discovering important pricing information
13 relating to the various commodities that are the sub-
14 ject of such trading.

15 “(5) Such pricing information may be widely
16 quoted and disseminated in order to allow consum-
17 ers, businesses, and financial enterprises to rely
18 upon such pricing information in making various
19 commercial arrangements and decisions relating to
20 the price of the affected commodities in interstate
21 commerce.

22 “(6) Unless appropriately and prudently regu-
23 lated, whether through self-regulation by the market
24 participants themselves or through Government reg-

1 ulation, transactions subject to this Act may not
2 serve these public interests.

3 “(b) PURPOSE.—It is the purpose of this Act to pro-
4 vide for self-regulation that is in the public interest and
5 Government oversight of transactions subject to this
6 Act—

7 “(1) to prevent fraud, sales practice abuses,
8 and price manipulation;

9 “(2) to foster efficient and effective transaction
10 executions at fair prices;

11 “(3) to ensure conduct consistent with just and
12 equitable principles of trade and the financial integ-
13 rity of all futures and options transactions, market
14 participants, and markets; and

15 “(4) to promote responsible economic or finan-
16 cial innovation and fair competition among all mar-
17 kets, market participants, and consumers of the
18 markets’ services.”.

19 **SEC. 102. CONDITIONAL EXEMPTION FROM COMMODITY EX-**
20 **CHANGE ACT FOR CERTAIN TRANSACTIONS**

2 and (3), any agreement, contract, or transaction (or
3 class thereof) that is or may be subject to this Act
4 shall be exempt from all of the provisions of this Act
5 if the only parties eligible to enter into the agree-
6 ment, contract, or transaction (or class thereof)
7 qualify as appropriate persons (as defined in sub-
8 section (c)(3)).

9 “(2) RULES AGAINST FRAUD AND MANIPULA-
10 TION.—Any agreement, contract, or transaction (or
11 class thereof) for which an exemption is provided
12 under this subsection shall still be subject to prohibi-
13 tions against fraud or manipulation issued by the
14 Commission, following notice and opportunity for
15 hearing, that are specifically designed to apply to
16 such agreements, contracts, and transactions.

17 “(3) USE OF APPROVED CLEARINGHOUSES AND
18 SYSTEMS.—Any agreement, contract, or transaction
19 (or class thereof) for which an exemption is provided
20 under this subsection shall not be submitted to any
21 clearinghouse or clearing system (or similar entity)
22 unless that clearinghouse or clearing system (or
23 similar entity) has been approved by the Commission
24 to do business as a clearinghouse or clearing sys-
25 tem.”.

1 **SEC. 103. DESIGNATION OF CONTRACT MARKETS.**

24 (c) EFFECT OF DESIGNATION.—Section 5 of the
25 Commodity Exchange Act (7 U.S.C. 7) is amended by in-

 2 the following new subsection:

3 “(b) EXISTING AND FUTURE DESIGNATIONS.—

 12 designation.

13 “(2) EXISTING DESIGNATIONS.—A board of
 14 trade that has been designated as a contract market
 15 as of the date of the enactment of this subsection
 16 shall retain the designation unless—

17 “(A) the Commission finds that a violation
 18 of this Act or a rule, regulation, or order of the
 19 Commission by the contract market justifies
 20 suspension or revocation of the designation
 21 under section 6(b); or

22 “(B) the board of trade relinquishes the
 23 designation.”.

24 (d) APPLICATION FOR DESIGNATION.—The first sen-

17 “(1) SUBMISSION TO COMMISSION.—Except as
 18 otherwise provided in this subsection, each contract
 19 market shall submit to the Commission all bylaws,
 20 rules, regulations, and resolutions (in this subsection
 21 referred to as ‘rules’) made or issued by the contract
 22 market, or by the governing board or any committee
 23 thereof, other than rules that relate to the setting of
 24 levels of margin and such other rules as the Com-
 25 mission may specify by regulation.

1 “(2) EFFECTIVE DATE.—

2 “(A) IN GENERAL.—Except in the case of
3 a rule described in subparagraph (B) or (C), a
4 contract market may make a rule of that con-
5 tract market effective 10 days after the date on
6 which the Commission receives the rule under
7 paragraph (1), unless, within such period, the
8 contract market requests review of the rule by
9 the Commission or the Commission institutes
10 proceedings to determine whether the rule
11 should be disapproved. The disapproval pro-
12 ceedings shall be conducted in accordance with
13 paragraph (3).

14 “(B) SPECIAL EFFECTIVE DATE FOR CER-
15 TAIN RULES.—In the case of a rule that would
16 establish the terms and conditions of a contract
17 for the purchase or sale of a commodity for fu-
18 ture delivery, which is to be executed subject to
19 the rules of a contract market and has not pre-
20 viously been traded subject to the rules of the
21 contract market, the contract market may make
22 the rule effective 15 days after the date on
23 which the Commission receives the rule under
24 paragraph (1), unless, within such period, the
25 Commission institutes proceedings to determine

1 whether the rule should be disapproved. The
2 disapproval proceedings shall be conducted in
3 accordance with paragraph (3).

4 “(C) EXCEPTION.—A board of trade may
5 not make effective any rule to establish the
6 terms and conditions of a new contract (or op-
7 tion on such a contract) that is subject to the
8 requirements and procedures of clauses (ii)
9 through (v) of section 2(a)(1)(B) unless and
10 until the requirements and procedures of such
11 clauses are satisfied and carried out.

12 “(3) DISAPPROVAL PROCESS.—

13 “(A) NOTICE OF PROPOSED DIS-
14 APPROVAL.—If the Commission institutes a
15 proceeding to determine whether a rule submit-
16 ted under paragraph (1) should be disapproved,
17 the Commission shall provide the contract mar-
18 ket with written notice of the proposed grounds
19 for disapproval, including—

20 “(i) the specific sections of this Act or
21 the regulations of the Commission that
22 would be violated; and

23 “(ii) in the case of a rule described in
24 paragraph (2)(B), the specific reason or

1 reasons why the rule might be contrary to
2 the public interest.

3 “(B) DISAPPROVAL PROCEEDING.—In a
4 disapproval proceeding under this paragraph,
5 the Commission shall afford the contract mar-
6 ket a reasonable opportunity to respond in writ-
7 ing and an opportunity for a hearing, including
8 the right to an oral hearing before a quorum of
9 the Commission. In a disapproval proceeding in-
10 volving a rule described in paragraph (2)(B),
11 the Commission shall have the burden of prov-
12 ing that the rule is contrary to the public inter-
13 est.

14 “(C) DISAPPROVAL.—At the conclusion of
15 a disapproval proceeding under this paragraph,
16 the Commission shall determine whether to dis-
17 approve the rule and shall disapprove the rule
18 if the Commission determines in the proceeding
19 that the rule would be—

20 “(i) in violation of the provisions of
21 this Act or the regulations of the Commis-
22 sion; or

23 “(ii) in the case of a rule described in
24 paragraph (2)(B), contrary to the public
25 interest.

1 “(D) NOTICE OF DISAPPROVAL.—The
2 Commission shall provide the contract market
3 with written notice of the disapproval of a rule
4 of the contract market. The notice shall—

5 “(i) specify the sections of this Act or
6 the Commission’s regulations that the
7 Commission determines the rule violates
8 or, if effective, would violate; and

9 “(ii) in the case of a rule described in
10 paragraph (2)(B), contain an explanation
11 and analysis of the substantive basis why
12 the rule violates or, if effective, would vio-
13 late the public interest.

14 “(4) TIME FOR DISAPPROVAL ACTIONS.—

15 “(A) 60-DAY PERIOD.—Before the end of
16 the 60-day period beginning on the date on
17 which the Commission receives a rule under
18 paragraph (1), the Commission shall complete
19 any disapproval proceeding instituted under this
20 subsection regarding the rule.

21 “(B) EFFECT OF FAILURE TO COMPLETE
22 ACTION.—Unless the Commission has notified
23 the contract market by the end of such 60-day
24 period that the Commission has disapproved the
25 rule, the contract market may make the rule ef-

1 fective. Except as provided in subparagraph
2 (C), the Commission shall not thereafter dis-
3 approve the rule.

4 “(C) EXCEPTION.—Subparagraph (B)
5 shall not be construed to modify or affect the
6 ability of the Commission to alter or supple-
7 ment any rules of a contract market pursuant
8 to section 8a(7).

9 “(5) RULE OF CONSTRUCTION REGARDING PUB-
10 LIC INTEREST STANDARD.—The authority of the
11 Commission to disapprove a rule described in para-
12 graph (2)(B) on the basis that the rule is contrary
13 to the public interest shall not be construed to au-
14 thorize the Commission to apply such a standard to
15 any other provision of this Act or any other action
16 of the Commission.

17 “(6) TEMPORARY EFFECTIVENESS FOR EMER-
18 GENCY RULES.—

19 “(A) EMERGENCY RULES AUTHORIZED.—
20 The Commission shall issue regulations to
21 specify the terms and conditions under which,
22 in an emergency as defined by the Commission,
23 a contract market may, by a two-thirds vote of
24 its governing board, make a rule (in this para-
25 graph referred to as an ‘emergency rule’) imme-

1 diately effective on a temporary basis without
2 compliance with the applicable notice require-
3 ments under paragraph (2), or during any pe-
4 riod of review by the Commission, if the con-
5 tract market makes every effort practicable to
6 notify the Commission of the emergency rule
7 before making the emergency rule effective. The
8 notification shall include a complete explanation
9 of the emergency involved. If the contract mar-
10 ket does not provide the Commission with such
11 notification and explanation before making the
12 emergency rule effective, the contract market
13 shall provide the Commission with such notifi-
14 cation and explanation at the earliest possible
15 date. The Commission may delegate the power
16 to receive such notification and explanation to
17 such individuals as the Commission determines
18 necessary and appropriate.

19 “(B) COMMISSION CONSIDERATION OF
20 EMERGENCY RULES.—Within 10 days of the re-
21 ceipt from a contract market of notification of
22 an emergency rule and an explanation of the
23 emergency involved, or as soon as practicable,
24 the Commission shall determine whether it is
25 appropriate either—

1 “(i) to permit the emergency rule to
2 remain in effect during the period of the
3 emergency; or

4 “(ii) to suspend the effect of the
5 emergency rule pending review either
6 under the procedures of this subsection or
7 otherwise.

8 “(C) REPORT ON CONSIDERATION.—The
9 Commission shall submit to the affected con-
10 tract market, to the Committee on Agriculture
11 of the House of Representatives and the Com-
12 mittee on Agriculture, Nutrition, and Forestry
13 of the Senate a report regarding its determina-
14 tion (and the basis thereof) with respect to an
15 emergency rule. If the report is submitted more
16 than 10 days after the Commission’s receipt of
17 notification of the emergency rule, the report
18 shall also contain an explanation of why sub-
19 mission within such period was not practicable.
20 A determination by the Commission to suspend
21 the effect of a rule under this paragraph shall
22 be subject to judicial review on the same basis
23 as an emergency determination under section
24 8a(9). Nothing in this paragraph shall be con-

1 strued to limit the authority of the Commission
2 under section 8a(9).”.

3 **SEC. 105. REGULATION OF AUDIT TRAIL REQUIREMENTS.**

21 an opportunity for a hearing, that prescribes an ob-
22 jective standard or methodology for establishing
23 whether a contract market meets the requirement
24 under paragraph (2) that each contract market must
25 be able to determine, with reasonable accuracy, the

1 time of execution, in increments of no more than one
2 minute in length. In issuing the regulation, the Com-
3 mission—

4 “(A) shall take into account any unique
5 features and trading practices of each contract
6 market and any surveillance mechanisms be-
7 yond a manual trade recording system adopted
8 by each contract market;

9 “(B) shall not prescribe a specific means
10 or technology for meeting the accuracy or any
11 other requirement.

12 “(4) USE OF TRADE RECORDING DATA.—Con-
13 sistent with Commission regulations, the audit trail
14 system for a contract market shall rely upon trade

 14 not exceed the costs. The Commission shall make
 15 this benefit-cost determination based upon the infor-
 16 mation available in the record of such action main-
 17 tained by the Commission.

18 “(2) BENEFITS DEFINED.—For purposes of
 19 this subsection, the term ‘benefits’ means the signifi-
