## A BILL

To create a National Museum of Women's History Advisory Committee.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

### 3 **SECTION 1. FINDINGS.**

4 Congress makes the following findings:

1           (1) A national institution in Washington, Dis-  
2       trict of Columbia, the Nation’s Capital, that is dedi-  
3       cated to the heritage of women does not exist.

4           (2) In the 34-year period beginning with 1963,  
5       only 2 exhibits were authorized on women’s history  
6       at the National Museum of American History.

7           (3) Less than 5 percent of the Nation’s 2,200  
8       National Historic Landmarks are dedicated to  
9       women, and there are only 40 public outdoor statues  
10      of American women in our Nation.

11          (4) The historic contributions of women to civ-  
12      ilization and to our Nation have gone unnoted or are  
13      misunderstood, leaving a gap in our Nation’s histori-  
14      cal record.

15          (5) Knowledge of one’s heritage is critical in de-  
16      veloping a personal sense of competence and poten-  
17      tial.

18          (6) Lack of appreciation for women’s historic  
19      contributions leads to a lack of value, understanding,  
20      and respect for women and girls, and invites dis-  
21      crimination or violence against females.

22          (7) A National Museum of Women’s History is  
23      needed to profile the specific achievements that indi-  
24      vidual women have made to all aspects of human en-  
25      deavor, and to explore and celebrate the contribu-

1        tions that women have made in their various roles  
2        in family and society.
