H. R. 524

To require the mandatory reporting of deaths resulting from the prescribing, dispensing, and administration of drugs, to allow the continuation of voluntary reporting programs, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

February 4, 1997

Mr. Coyne introduced the following bill; which was referred to the Committee on Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To require the mandatory reporting of deaths resulting from the prescribing, dispensing, and administration of drugs, to allow the continuation of voluntary reporting programs, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE AND PURPOSE.
- 4 (a) Short Title.—This Act may be cited as the
- 5 "Safe Medications Act of 1997".
- 6 (b) Purpose.—It is the purpose of this Act to have
- 7 the Secretary of Health and Human Services create a data

- 1 bank for reports of deaths from the prescribing, dispens-
- 2 ing, and administration of drugs, to establish a program
- 3 using such data to assist in preventing such deaths, and
- 4 to educate and inform health care professionals of the
- 5 deaths that may occur in the course of drug therapy.

6 SEC. 2. REPORTING.

- 7 (a) IN GENERAL.—Any pharmacy, hospital, long-
- 8 term care facility, physician's office, or other health care
- 9 facility, as defined by the Secretary of Health and Human
- 10 Services by regulation, in which a death occurs as a result
- 11 of the prescribing, dispensing, or administration of a drug
- 12 to an individual shall report such deaths to the Secretary
- 13 of Health and Human Services under section 3. Such a
- 14 report shall be made not later than 10 working days after
- 15 the date of the discovery of the deaths.
- 16 (b) Report Requirements.—Each report of a
- 17 death from the prescribing, dispensing, or administration
- 18 of a drug to an individual shall at least contain—
- 19 (1) an identification of the person making the
- report, including the address and telephone number
- of such person, and the name and address of the fa-
- cility in which the drug was prescribed, dispensed, or
- 23 administered;

1	(2) a description of the error in the prescrip-
2	tion, dispensing, or administration of the drug if an
3	error occurred to include the following:
4	(A) the misunderstanding (if any) of an
5	oral communication for the prescription of the
6	drug involved,
7	(B) the misinterpretation or misreading (if
8	any) of a written prescription for the drug in-
9	volved,
10	(C) the improper identification (if any) of
11	the drug involved because of shelf placement,
12	(D) the confusion (if any) over the drug
13	involved because of product packaging or drug
14	name, and
15	(E) when and how the error was discov-
16	ered;
17	(3) the brand name of the drug involved (if
18	any), the generic name of such drug, the manufac-
19	turers of such drug, the labeler of such drug if dif-
20	ferent from the manufacturer, the dosage form of
21	such drug, the strength of such drug, and the type
22	and size of the drug containers;
23	(4) the lot number of the drug involved, if avail-
24	able;

- 1 (5) information on the patient for whom the 2 drug involved was prescribed, dispensed, or adminis-3 tered, including the patient's age and sex;
- 4 (6) the diagnosis for which the drug involved 5 was prescribed, dispensed, or administered; and
- 6 (7) the date and time of the death.
- 7 Reporting requirements shall be updated as directed by
- 8 the Secretary.

9 SEC. 3. DATA BANK.

- 10 (a) Establishment.—The Secretary of Health and
- 11 Human Services shall establish and maintain in coopera-
- 12 tion with the compiler of the official compendia of drug
- 13 standards a data bank to receive reports under section 2
- 14 of deaths. If such compiler will not cooperate in connection
- 15 with such data bank, the Secretary shall establish or by
- 16 contract provide for such data bank.
- 17 (b) Secretarial Action.—The Secretary shall re-
- 18 view information reported to the data bank on an ongoing
- 19 basis to determine trends relating to drugs and shall re-
- 20 port such information to the compiler of the official com-
- 21 pendia of drug standards on an ongoing basis for consider-
- 22 ation of revision of the packaging and labeling require-
- 23 ments or other standards for drugs for dissemination to
- 24 physicians, pharmacists, and other health professionals in-
- 25 volved in the prescribing, dispensing, and administration

- 1 of drugs to patients. Such reporting of aggregate data
- 2 shall be done in a manner which assists such health pro-
- 3 fessionals in identifying and reducing patterns and inci-
- 4 dents of inappropriate use associated with certain drugs.
- 5 (c) Confidentiality.—The identity of a person
- 6 making a report to the data bank, the deceased, and the
- 7 individual who prescribed, dispensed, or administered the
- 8 drug shall be considered as privileged and confidential in-
- 9 formation for purposes of any law requiring disclosure of
- 10 information.
- 11 (d) Shared Information.—The Secretary shall
- 12 share the reported information with governmental licens-
- 13 ing, accreditation, and inspection agencies for their action
- 14 with the appropriate organizations to ensure that there
- 15 has not been a failure to report such deaths.
- 16 (e) Enforcement.—Whoever with false pretenses
- 17 reports to the data bank, requests information from the
- 18 data bank, or unlawfully gains access to the data bank
- 19 shall be fined not more than \$15,000 or imprisoned for
- 20 not more than 3 years, or both, except that if a person
- 21 commits a violation of this subsection after a conviction
- 22 for a violation of this subsection has become final, such
- 23 person shall be fined not more than \$25,000 or imprisoned
- 24 for not more than 3 years, or both.

1 SEC. 4. PENALTIES.

- 2 (a) Imposition of Fine.—Any institution that does
- 3 not make a report as required by section 2 shall be subject
- 4 to a fine of \$15,000 for each report not made. Within 60
- 5 days of a conviction under this subsection, a person shall
- 6 submit to the Secretary of Health and Human Services
- 7 a plan for the reporting to the data bank of deaths from
- 8 drugs and drug prescribing, dispensing, and administra-
- 9 tion errors.
- 10 (b) Mandatory Exclusion From Medicare and
- 11 STATE HEALTH CARE PROGRAMS.—Section 1128(a) of
- 12 the Social Security Act (42 U.S.C. 1320a-7(a)) is amend-
- 13 ed by adding at the end the following new paragraph:
- 14 "(5) Failure to report deaths resulting
- 15 FROM THE PRESCRIBING, DISPENSING, AND ADMIN-
- 16 ISTRATION OF DRUGS.—Any individual or entity that
- has failed or refused to respond to a subpoena for
- information on a reportable incident or has failed to
- meet the requirements of section 2 of the Safe Medi-
- 20 cations Act of 1997.".
