## A BILL

To require a separate, unclassified statement of the aggregate amount of budget outlays for intelligence activities.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

### 3   **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Intelligence Budget  
5   Accountability Act of 1997”.

1 **SEC. 2. PURPOSE.**

2 It is the purpose of this Act to require the publication  
3 of the aggregate intelligence budget figure to provide a  
4 more thorough accounting of Government expenditures as  
5 required by article I, section 9, clause 7 of the Constitu-  
6 tion.

7 **SEC. 3. FINDINGS.**

8 The Congress finds that—

9 (1) article I, section 9, clause 7 of the Constitu-  
10 tion states that “No Money shall be drawn from the  
11 Treasury, but in Consequence of Appropriations  
12 made by Law; and a regular Statement and Account  
13 of the Receipts and Expenditures of all public  
14 Money shall be published from time to time.”;

15 (2) during the Cold War the United States did  
16 not provide to the American people a “regular State-  
17 ment and Account of the . . . Expenditures” for  
18 intelligence activities;

19 (3) the failure to provide to the American peo-  
20 ple a statement of the total amount of expenditures  
21 on intelligence activities prevents them from partici-  
22 pating in an informed, democratic decision concern-  
23 ing the appropriate level for such expenditures; and

24 (4) the Report of the Commission on the Roles  
25 and Capabilities of the United States Intelligence  
26 Community recommended the disclosure of “the

1       total amount of money appropriated for intelligence  
2       activities during the current fiscal year and the total  
3       amount being requested for the next fiscal year”.

4   **SEC. 4. ANNUAL STATEMENT OF THE TOTAL AMOUNT OF**  
5                   **INTELLIGENCE EXPENDITURES FOR THE**  
6                   **PRECEDING FISCAL YEAR.**

7       Section 1105(a) of title 31, United States Code, is  
8   amended by adding at the end thereof the following new  
9   paragraph:

10           “(31) a separate, unclassified statement of the  
11       appropriations and proposed appropriations for the  
12       current fiscal year, and the amount of appropri-  
13       ations requested for the fiscal year for which the  
14       budget is submitted, for national and tactical intel-  
15       ligence activities, including activities carried out  
16       under the budget of the Department of Defense to  
17       collect, analyze, produce, disseminate, or support the  
18       collection of intelligence.”.
