

H. Res. 189

In the House of Representatives, U.S.,

July 23, 1997.

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2169) making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 1998, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(l)(6) of rule XI, clause 7 of rule XXI, or section 401(a) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: on

page 4, line 1, through line 6; beginning with “, of which” on page 10, line 20, through “Fund” on line 22; on page 52, line 8, through line 15; on page 53, line 3, through page 65, line 6. Where points of order are waived against part of a paragraph, points of order against a provision in another part of such paragraph may be made only against such provision and not against the entire paragraph. The amendments specified in section 2 of this resolution shall be considered as adopted in the House and in the Committee of the Whole. During consideration of the bill for further amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the

bill, as amended, to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. The amendments considered as adopted in the House and in the Committee of the Whole are as follows—

- (1) page 31, line 24, strike “Staten Island-Midtown Ferry service project” and insert “St. George Ferry terminal project”; and
