

H. Res. 420

In the House of Representatives, U.S.,

May 7, 1998.

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 3694) to authorize appropriations for fiscal year 1999 for intelligence and intelligence-related activities of the United States Government, the Community Management Account, and the Central Intelligence Agency Retirement and Disability System, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(l)(6) of rule XI are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Permanent Select Committee on intelligence. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-

minute rule the amendment in the nature of a substitute recommended by the Permanent Select Committee on Intelligence now printed in the bill, modified by striking section 401 (and redesignating succeeding sections accordingly). That amendment in the nature of a substitute shall be considered by title rather than by section. Each title shall be considered as read. Points of order against that amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI or clause 5(b) of rule XXI are waived. No amendment to that amendment in the nature of a substitute shall be in order unless printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Printed amendments shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Commit-

tee of the Whole to the bill or the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

Attest:

Clerk.
