

## **H. Res. 537**

### ***In the House of Representatives, U.S.,***

*September 16, 1998.*

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4300) to support enhanced drug interdiction efforts in the major transit countries and support a comprehensive supply eradication and crop substitution program in source countries. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by Representative Hastert of Illinois, and a Member opposed to the bill. After general debate the bill shall be considered for amendment under the five-minute rule for a period not to exceed three hours. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 pursuant to clause 6 of rule XXIII. That amendment in the nature of a sub-

stitute shall be considered as read. Points of order against that amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI are waived. During consideration of the bill for amendments, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening mo-

tion except one motion to recommit with or without instruction.
