

H. Res. 578

In the House of Representatives, U.S.,

October 8, 1998.

Whereas the United States must maintain and improve its preeminent position in science and technology in order to advance human understanding of the universe and all it contains, and to improve the lives, health, and freedom of all peoples; and

Whereas the Committee on Science of the House of Representatives is hereby submitting a print to Congress entitled “Unlocking Our Future: Toward a New National Science Policy”: Now, therefore, be it

Resolved, That it is the sense of the House of Representatives that the print from the Committee on Science entitled “Unlocking Our Future: Toward a New National Science Policy” should serve as a framework for future deliberations on congressional science policy and funding.

Attest:

Clerk.
