4 (a) FINDINGS.—The Congress finds that—

5 (1) the Greater Washington Metropolitan Area  
 6 has an expanding regional economy but suffers from  
 7 a serious regional labor market shortage that threat-  
 8 ens economic growth;

9 (2) the region's education and training systems,  
 10 particularly in the District of Columbia, fail to pro-  
 11 vide many youths and adults with the skills nec-  
 12 essary to be competitive in the regional labor mar-  
 13 ket;

14 (3) the need for a better skilled area workforce  
 15 makes it imperative that the region's businesses,

1 educational institutions, and governments work to-  
2 gether to provide youth and adults with the edu-  
3 cation and training necessary to meet the needs of  
4 the 21st century;

5 (4) the condition of school facilities is a major  
6 impediment to improving the quality of education in  
7 the District of Columbia and their repair and mod-  
8 ernization is a necessary step in making the Dis-  
9 trict's public schools a full partner in preparing stu-  
10 dents for the regional labor market;

11 (5) the University of the District of Columbia,  
12 as well as other area institutions of post-secondary  
13 education, have an important role to play in provid-  
14 ing skills training to meet the needs of the regional  
15 labor market;

16 (6) although the present revenues for the Dis-  
17 trict of Columbia public school system provide suffi-  
18 cient operating funds, as with other public school  
19 systems in the metropolitan region, there are insuffi-  
20 cient revenues for programs to prepare students to  
21 compete in the global economy and or to provide stu-  
22 dents with the skills demanded by the local market:  
23 and

24 (7) the Greater Washington Metropolitan Area  
25 has an opportunity to set a national example of re-

1 regional cooperation in engaging in education reform  
2 and workforce training.

3 (b) PURPOSE.—

4 (1) IN GENERAL.—It is the purpose of this Act  
5 to foster the development of a regional workforce in-  
6 vestment system that will bring about improvements  
7 in education and workforce preparation by—

8 (A) creating a metropolitan partnership  
9 through which area businesses, school systems,  
10 postsecondary institutions, and governments  
11 can cooperate in charting a course for reforms  
12 and investments in education and workforce  
13 training; and

14 (B) providing the Greater Washington  
15 Metropolitan Area with the resources necessary  
16 to lead the Nation in improving its capacity to  
17 provide for a highly educated and skilled  
18 workforce.

19 (2) NONRESIDENT TAX.—The purpose of im-  
20 posing the tax established by title II is to—

21 (A) fund the repair and modernization of  
22 District of Columbia public schools; and

23 (B) provide resources to carry out the ac-  
24 tivities of a Washington metropolitan partner-  
25 ship as described in title I.
