105TH CONGRESS 1ST SESSION

S. 1509

To authorize the Bureau of Land Management to use vegetation sales contracts in managing land at Fort Stanton and certain nearby acquired land along the Rio Bonito in Lincoln County, New Mexico.

IN THE SENATE OF THE UNITED STATES

NOVEMBER 9, 1997

Mr. Domenici (for himself and Mr. Bingaman) introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

A BILL

To authorize the Bureau of Land Management to use vegetation sales contracts in managing land at Fort Stanton and certain nearby acquired land along the Rio Bonito in Lincoln County, New Mexico.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Fort Stanton and Rio
- 5 Bonito Corridor Vegetation Management Act".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds that—

- (1) the lands under the jurisdiction of the Secretary surrounding Fort Stanton, New Mexico, contain historic and natural resources that warrant special management considerations by the Bureau of Land Management;
 - (2) the adjudication process for establishing grazing preferences under the Act of June 28, 1934 (commonly known as the "Taylor Grazing Act") (43 U.S.C. 315 et seq.) and other applicable laws has not been conducted on lands acquired by the Secretary at and near Fort Stanton, New Mexico, including lands along the Rio Bonito in Lincoln County, New Mexico;
 - (3) in the management of renewable forage resources on lands surrounding Fort Stanton, New Mexico, vegetation sales contracts would be a beneficial tool for the Bureau of Land Management to use to maintain and enhance the condition of the forage and other natural resources of the area;
 - (4) the management of grazing animals under vegetation sales contracts requires fiscal resources and personnel that exceed that of the grazing preference system in place on other public domain lands; and

- (5) disputes over the legal description of lands 1 2 acquired by the Secretary along the Rio Bonito in 3 Lincoln County, New Mexico, make it necessary for the Bureau of Land Management to pursue reason-5 able legal remedies under existing authorities to re-6 solve such disputes with adjacent landowners. 7 SEC. 3. DEFINITIONS. 8 (a) FORT STANTON.—The term "Fort Stanton" means land under the administrative jurisdiction of the 10 Secretary at Fort Stanton, New Mexico, as depicted on the map entitled "Fort Stanton and Rio Bonito Corridor, 11 NM", dated May 13, 1997. 12 13 (b) RIO BONITO CORRIDOR.—The term "Rio Bonito 14 Corridor" means land under the administrative jurisdic-15 tion of the Secretary near Fort Stanton, New Mexico, within the area identified as the "Rio Bonito Corridor", 16 as depicted on the map entitled "Fort Stanton and Rio 18 Bonito Corridor, NM", dated May 13, 1997, which— 19 (1) was acquired by the Secretary before May
- 20 13, 1997; or
- 21 (2) is acquired by the Secretary (by purchase or
- 22 exchange) from willing landowners after May 13,
- 23 1997.

- 1 (c) Secretary.—The term "Secretary" means the
- 2 Secretary of the Interior, acting through the Director of
- 3 the Bureau of Land Management.
- 4 SEC. 4. MAPS.
- 5 The maps referred to in section 3 shall be made avail-
- 6 able for public inspection by the Bureau of Land Manage-
- 7 ment at the Roswell District Office in Roswell, New Mex-
- 8 ico, and at the New Mexico State Office in Santa Fe, New
- 9 Mexico.
- 10 SEC. 5. MANAGEMENT OF FORT STANTON AND RIO BONITO
- 11 LAND.
- 12 (a) In General.—Notwithstanding any provision of
- 13 the Act of June 28, 1934 (43 U.S.C. 315 et seq.), or any
- 14 other law relating to the establishment, leasing, or permit-
- 15 ting of grazing under a grazing preference, the Secretary,
- 16 in managing land within Fort Stanton and the Rio Bonito
- 17 Corridor that is under the jurisdiction of the Secretary,
- 18 may solicit competitive bids for and enter into vegetation
- 19 sales contracts for the purpose of using livestock grazing
- 20 as a vegetation management tool. Any such contracts en-
- 21 tered into with respect to the land before the date of enact-
- 22 ment of this Act are ratified.
- 23 (b) Consistency With Land and Resource Man-
- 24 AGEMENT PLANS.—Management of Fort Stanton and the
- 25 Rio Bonito Corridor shall be consistent with any applica-

- 1 ble land and resource management plan under the Federal
- 2 Land Policy and Management Act of 1976 (43 U.S.C.
- 3 1701 et seq.).
- 4 (c) Distribution and Use of Proceeds.—Of the
- 5 proceeds of vegetation sales contracts entered into under
- 6 subsection (a)—
- 7 (1) 12½ percent shall be paid to the State of
- 8 New Mexico for distribution to Lincoln County, New
- 9 Mexico, to be used for purposes authorized by sec-
- 10 tion 10 of the Act of June 28, 1934 (43 U.S.C.
- 11 315i);
- 12 (2) 12½ percent shall be deposited in the gen-
- eral fund of the Treasury of the United States; and
- 14 (3) 75 percent shall be deposited in a special
- account in the Treasury of the United States and
- shall be available to the Secretary, without further
- 17 Act of appropriation, for use in managing Fort
- 18 Stanton and the Rio Bonito Corridor and to achieve
- the management goals and prescriptions identified in
- applicable resource management plans for the Rio
- 21 Bonito acquired lands and the Fort Stanton area of
- critical environmental concern, but none of the pro-
- ceeds provided to the Secretary under this para-
- graph shall be available for land acquisition.
