

105TH CONGRESS
2D SESSION

S. 2105

To require the Secretary of the Army to conduct a study of the Niobrara River watershed and the operations of Fort Randall Dam and Gavins Point Dam on the Missouri River to determine the feasibility of alleviating certain bank erosion and sedimentation problems.

IN THE SENATE OF THE UNITED STATES

MAY 21, 1998

Mr. DASCHLE (for himself and Mr. JOHNSON) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To require the Secretary of the Army to conduct a study of the Niobrara River watershed and the operations of Fort Randall Dam and Gavins Point Dam on the Missouri River to determine the feasibility of alleviating certain bank erosion and sedimentation problems.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. NIOBRARA RIVER AND MISSOURI RIVER SEDI-**
4 **MENTATION STUDY.**

5 The Secretary of the Army shall conduct a study of
6 the Niobrara River watershed and the operations of Fort
7 Randall Dam and Gavins Point Dam on the Missouri

- 1 River to determine the feasibility of alleviating the bank
- 2 erosion, sedimentation, and related problems in the lower
- 3 Niobrara River and the Missouri River below Fort Randall
- 4 Dam.
