

105TH CONGRESS
1ST SESSION

S. 665

To monitor the progress of the Telecommunications Act of 1996.

IN THE SENATE OF THE UNITED STATES

APRIL 29, 1997

Mr. KERREY introduced the following bill; which was read twice and referred
to the Committee on Commerce, Science, and Transportation

A BILL

To monitor the progress of the Telecommunications Act of
1996.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Telecommunication
5 Act Progress Report Act”.

6 **SEC. 2. TELECOMMUNICATIONS ACT PROGRESS REPORT.**

7 Within six months after the date of enactment of this
8 Act and each year thereafter, the National Telecommuni-
9 cations and Information Administration, in consultation
10 with the Federal Communications Commission, the De-
11 partment of Justice, other relevant executive branch agen-

1 cies and Regulatory Utility Commissions within the states
2 shall issue an annual report to the Congress on tele-
3 communications services in America. The report shall re-
4 view available information and consider at a minimum the
5 level of competition, the provision of universal service in
6 telecommunications markets, mergers among tele-
7 communications providers and their effect, employment in
8 the American telecommunications industry and the afford-
9 ability of residential rates for telecommunications services.
10 The report shall make legislative and policy recommenda-
11 tions to the Congress and the President.
