

106TH CONGRESS
1ST SESSION

H. CON. RES. 151

Expressing the sense of the Congress that Federal funding for elementary and secondary teacher training be used first for activities to advance science, mathematics, and engineering education for elementary and secondary teachers.

IN THE HOUSE OF REPRESENTATIVES

JULY 13, 1999

Mr. COOK submitted the following concurrent resolution; which was referred to the Committee on Education and the Workforce

CONCURRENT RESOLUTION

Expressing the sense of the Congress that Federal funding for elementary and secondary teacher training be used first for activities to advance science, mathematics, and engineering education for elementary and secondary teachers.

1 *Resolved by the House of Representatives (the Senate*
2 *concurring)*, That it is the sense of the Congress that all
3 local educational agencies receiving Federal funding for el-
4 ementary and secondary teacher training or certification
5 are encouraged to use such funding first for activities to

2

1 advance science, mathematics, and engineering education

2 for teachers.
