## CONCURRENT RESOLUTION

Providing a sense of the Congress regarding the reduction of the national debt of the United States held by the public.

Whereas the national debt of the United States held by the public is \$3.619 trillion as of fiscal year 1999,

Whereas the Federal budget is projected to produce a surplus each year in the next 10 fiscal years, and

Whereas refunding taxes and reducing the national debt held by the public will assure continued economic growth and financial freedom for future generations: Now, therefore, be it

1       *Resolved by the House of Representatives (the Senate*  
2   *concurring)*, That it is the sense of the Congress that the  
3   national debt held by the public should be reduced from

2

1 \$3.619 trillion to a level below \$1.61 trillion by fiscal year

2 2009.
