## A BILL

To amend the Internal Revenue Code of 1986 to regulate certain 50 caliber sniper weapons in the same manner as machine guns and other firearms.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Military Sniper Weap-  
5       on Regulation Act of 1999”.

6       **SEC. 2. FINDINGS.**

7       The Congress finds that—

8               (1) certain firearms originally designed and  
9       built for use as long-range 50 caliber military sniper

1 weapons are increasingly sold in the domestic civil-  
2 ian market;

3 (2) the intended use of these long-range fire-  
4 arms, and an increasing number of models derived  
5 directly from them, is the taking of human life and  
6 the destruction of materiel, including armored vehi-  
7 cles and such components of the national critical in-  
8 frastructure as radars and microwave transmission  
9 devices;

10 (3) these firearms are neither designed nor used  
11 in any significant number for legitimate sporting or  
12 hunting purposes and are clearly distinguishable  
13 from rifles intended for sporting and hunting use;

14 (4) extraordinarily destructive ammunition for  
15 these weapons, including armor-piercing and armor-  
16 piercing incendiary ammunition, is freely sold in  
17 interstate commerce; and

18 (5) the virtually unrestricted availability of  
19 these firearms and ammunition, given the uses in-  
20 tended in their design and manufacture, present a  
21 serious and substantial threat to the national secu-  
22 rity.

1 **SEC. 3. COVERAGE OF 50 CALIBER SNIPER WEAPONS**  
2 **UNDER NATIONAL FIREARMS ACT.**

3 (a) IN GENERAL.—Subsection (a) of section 5845 of  
4 the Internal Revenue Code of 1986 (defining firearm) is  
5 amended by striking “(6) a machine gun; (7) any silencer

7 and (8) a destructive device.” and inserting “(6) a 50 cal-  
8 iber sniper weapon; (7) a machine gun; (8) any silencer  
9 (as defined in section 921 of title 18, United States Code);  
10 and (9) a destructive device.”

11 (b) 50 CALIBER SNIPER WEAPON.—

12 (1) IN GENERAL.—Section 5845 of such Code  
13 is amended by redesignating subsections (d) through  
14 (m) as subsections (e) through (n), respectively, and  
15 by inserting after subsection (c) the following new  
16 subsection:

17 “(d) 50 CALIBER SNIPER WEAPON.—The term ‘50  
18 caliber sniper weapon’ means a rifle capable of firing a  
19 center-fire cartridge in 50 caliber, .50 BMG caliber, any  
20 other variant of 50 caliber, or any metric equivalent of  
21 such calibers.”

22 (2) MODIFICATION TO DEFINITION OF RIFLE.—  
23 Subsection (c) of section 5845 of such Code is  
24 amended by inserting “or from a bipod or other sup-  
25 port” after “shoulder”.

1       (c) EFFECTIVE DATE.—The amendments made by  
2 this section shall take effect on the date of the enactment  
3 of this Act.
