5 Capital Efficiency Promotion Act of 1999”.

6 **SEC. 2. REDUCTIONS IN MEDICARE CAPITAL PAYMENTS IN**
7 **CASE OF EXCESS BED SUPPLY.**

8 (a) IN GENERAL.—Notwithstanding any other provi-
9 sion of law, the Secretary of Health and Human Services
10 may, for cost reporting periods and discharges occurring

1 on or after October 1, 2004, reduce medicare capital pay-
2 ments for a hospital located in a hospital catchment area

12 25 percent of the amount of the medicare capital pay-
13 ments.

14 (c) EXCEPTIONS.—The Secretary shall not make a
15 reduction under subsection (a) insofar as the Secretary de-
16 termines that such reduction would be inappropriate as—

17 (1) it would adversely effect an ongoing plan for
18 the hospital to reduce the number of inpatient hos-
19 pital beds, whether directly or through closure or
20 merger with another hospital;

21 (2) additional capacity is required to meet the
22 needs of an underserved population, such as a rural
23 area; or

9 in the case mix of the population served by the
10 hospital.

11 (5) HOSPITAL OCCUPANCY RATE.—The term
12 “hospital occupancy rate” means, for a hospital and
