H. R. 2532

To provide for the establishment of national heritage areas.

IN THE HOUSE OF REPRESENTATIVES

July 15, 1999

Mr. Hefley introduced the following bill; which was referred to the Committee on Resources

A BILL

To provide for the establishment of national heritage areas.

- 1 Be it enacted by the Senate and House of Representa2 tives of the United States of America in Congress assembled,
 3 SECTION 1. SHORT TITLE.
 4 (a) SHORT TITLE.—This Act may be cited as the
 5 "National Heritage Areas Policy Act of 1999".
 6 (b) PURPOSES.—The purposes of this Act are—
 7 (1) to recognize areas containing natural, his-
- (1) to recognize areas containing natural, historic, scenic, and cultural resources and recreational
 and educational opportunities that are geographically assembled and thematically related as areas
 that provide unique frameworks for understanding
 the great and diverse character of the Nation and

1	the development of communities and their sur-
2	roundings;
3	(2) to encourage State and local governments,
4	nonprofit organizations, and the private sector, or
5	combinations thereof, to conserve and manage those
6	resources and opportunities;
7	(3) to encourage within these areas a broad
8	range of economic opportunities which enhance the
9	quality of life for present and future generations;
10	(4) to designate certain national heritage areas
11	and to prescribe the methods by which additional
12	national heritage areas may be designated from time
13	to time; and
14	(5) to define the limited role of the Federal gov-
15	ernment with regard to national heritage areas.
16	(c) Criteria for Designation.—An area shall be
17	eligible for designation as a national heritage area only
18	if the area meets each of the following criteria:
19	(1) Assemblage of resources.—The area is
20	a cohesive assemblage of natural, historic, cultural,
21	or recreational resources that—
22	(A) together represent distinctive aspects
23	of American heritage worthy of recognition,
24	conservation, interpretation, and continuing
25	use; and

- 1 (B) are best managed through partner-2 ships between private and non-Federal public entities. 3
 - (2)Traditions, CUSTOMS, BELIEFS, ORFOLKLIFE.—The area reflects traditions, customs, beliefs, or folklife, or some combination thereof, that are a valuable part of the story of the Nation.
 - (3) Conservation of Natural, Cultural, OR HISTORIC FEATURES.—The area provides outstanding opportunities to conserve natural, cultural, or historic features, or some combination thereof.
 - (4) Recreational and educational oppor-TUNITIES.—The area provides outstanding reational and educational opportunities.
 - (5) Themes and integrity of resources.— The area has an identifiable theme, and resources important to the theme retain integrity capable of supporting interpretation.
- 19 (6) Support.—Residents, nonprofit organiza-20 tions, other private entities, and governments throughout the proposed area demonstrate support 22 for designation of the area and for management of 23 the area as appropriate for such designation.
- 24 (d) DESIGNATION OF NATIONAL HERITAGE 25 Areas.—

1	(1) Method of designation.—An area may
2	be designated as a national heritage area only by an
3	Act of Congress.
4	(2) Conditions for designation.—The Con-
5	gress may designate an area as a national heritage
6	area only after—
7	(A) the Secretary completes a feasibility
8	study with respect to the area, pursuant to an
9	Act of Congress that provides specific author-
10	ization for such study; and
11	(B) such study concludes that the area is
12	appropriate for designation as a national herit-
13	age area.
14	(e) Feasibility Studies and Recommenda-
15	TIONS.—
16	(1) In general.—The Secretary shall submit
17	(subject to paragraph (4) and the availability of non-
18	Federal contributions for 50 percent of the applica-
19	ble costs) to the Resources Committee of the House
20	of Representatives and the Energy and Natural Re-
21	sources Committee of the Senate a study on the fea-
22	sibility of designating any area as a national herit-
23	age area. Such studies shall include the rec-
24	ommendations of the Secretary with respect to the

designation of such national heritage areas.

- (2) Comments of the Governor.—Before submitting any study to the Congress under paragraph (1) with respect to a proposed national heritage area, the Secretary shall solicit comments from the Governor of each State in which the proposed national heritage area is located. The Secretary shall include in such study any comments which the Secretary receives from such Governor within 90 days after the solicitation of such comments.
 - (3) Content of feasibility study completed under this subsection shall include sufficient information to determine whether an area meets, or has the potential to meet, the criteria referred to in subsection (c). Each such feasibility study shall be prepared with public participation. Each such feasibility study shall include, but need not be limited to, each of the following:
 - (A) RESOURCES AND OPPORTUNITIES.—A description of the natural, historic, and cultural resources and recreational and educational opportunities presented by the area, including an assessment of the quality and integrity of, the availability of public access to, and the themes represented by such resources and opportunities.

1	(B) Interest and impact.—An assess-
2	ment of the interest of, and impact of possible
3	designation upon, potential partners, units of
4	government, nonprofit organizations, and other
5	private entities.
6	(C) BOUNDARIES.—A description of the
7	boundaries for the proposed national heritage
8	area.
9	(D) Conceptual framework.—A de-
10	scription of the conceptual framework of the
11	proposed national heritage area.
12	(4) Funding for feasibility studies.—For
13	any feasibility study prepared pursuant to this sub-
14	section, the costs assumed by the Federal Govern-
15	ment shall not exceed 50 percent of the total costs
16	of completing such study. The Secretary may com-
17	plete such a feasibility study only if the remaining
18	share of such costs is provided from non-Federal
19	funds, services, or materials, or a combination there-
20	of, fairly valued as determined by the Secretary.
21	(f) Duties of the Secretary.—
22	(1) In general.—The duties of the Secretary
23	pursuant to this section shall be limited to—
24	(A) completion of feasibility studies pursu-
25	ant to an Act of Congress;

- (B) annual prioritization of grants for submission to the Congress based on information received from Governors in which national heritage areas are located;
 - (C) distribution of grants to local coordinating entities; and
 - (D) technical assistance, upon request, to national heritage areas.

(2) Grants.—

(A) In GENERAL.—The Secretary may make grants with respect to any national heritage area to any local coordinating entity (as defined in subsection (i)) for the purposes of this section. The Secretary shall annually submit to the Congress a prioritized list of projects at national heritage areas, consistent with this section, based on submissions from the Governors of States in which such areas are located. In establishing such priorities, the Secretary shall consider the relative degree to which each proposed grant meets the objectives of the Heritage Plan for the relevant national heritage area and the extent to which the grant would leverage non-Federal funds.

1	(B) Eligibility for grants.—Grants
2	may be made under this subsection with respect
3	to a national heritage area only if the Governor
4	of the State in which such Area is located (or
5	if such Area is located in more than one State,
6	the Governors of all such States, acting to-
7	gether) designates a local coordinating entity
8	for such Area.
9	(C) PERMITTED AND PROHIBITED USES OF
10	GRANTS.—
11	(i) Permitted uses.—Grants made
12	under this subsection may be used for re-
13	ports, studies, interpretive exhibits and
14	programs, historic preservation projects,
15	operational expenses of any local coordi-
16	nating entity for the first 3 fiscal years be-
17	ginning after the date of the designation of
18	such entity.
19	(ii) Prohibited Uses.—Grants made
20	under this subsection may not be used
21	for—
22	(I) acquisition of real property or
23	any interest in real property; or
24	(II) any other activity not specifi-
25	cally authorized in this subsection.

- (D) APPLICABILITY OF RESTRICTIONS TO SUBGRANTS.—For purposes of subparagraph (C), any subgrant made from funds received as a grant (or subgrant) made under this subsection shall be treated as a grant made under this subsection.
 - (E) Protection of federal invest-Ment.—Any construction grant made under this subsection shall be subject to an agreement that conversion, use, or disposal of the project so assisted for purposes contrary to the purposes of this subsection shall result in a right of the United States to compensation from the beneficiary of the grant. Any such agreement shall provide for a schedule for such compensation based on the level of Federal investment and the anticipated useful life of the project.
 - (F) DURATION OF ELIGIBILITY FOR GRANTS.—The Secretary may not provide any grant under this subsection with respect to any national heritage area for any period occurring after the expiration of the 10-year period beginning on the date on which the national heritage area is designated.

1	(G) Ineligibility for grants after 3
2	YEARS UNLESS HERITAGE PLAN SUBMITTED.—
3	The Secretary may not provide grants under
4	this subsection with respect to any national her-
5	itage area after the expiration of the 3-year pe-
6	riod beginning on the date of the designation of
7	the local coordinating entity for such area un-
8	less, before the expiration of such period—
9	(i) such entity submits a Heritage
10	Plan for the Area to each Governor of a
11	State in which such area is located, and
12	(ii) each such Governor approves the
13	Heritage Plan and at least one such Gov-
14	ernor forwards a copy of the Heritage Plan
15	to the Secretary.
16	(H) TECHNICAL ASSISTANCE.—The Sec-
17	retary may provide technical assistance with re-
18	spect to this subsection.
19	(I) Previously existing heritage
20	AREAS.—The Secretary may provide grants and
21	technical assistance under this subsection with
22	respect to any area which has been designated
23	by an Act of Congress, before the date of the
24	enactment of this Act, as a heritage area or

heritage corridor, as if such area or corridor

1	had been designated a national heritage area
2	under this section. The Secretary may not pro-
3	vide any grant under this subsection with re-
4	spect to any such heritage area or corridor after
5	the earlier of—
6	(i) the last day on which the area or
7	corridor is eligible for Federal funding or
8	assistance under the statute designating
9	such heritage area or corridor; or
10	(ii) the expiration of the 10-year pe-
11	riod beginning on the date of the enact-
12	ment of this Act.
13	(g) Local Coordinating Entity.—For purposes
14	of this subsection, the term "local coordinating entity"
15	means, with respect to any national heritage area, an enti-
16	ty designated by the Governor which agrees to perform
17	each of the following duties:
18	(1) Heritage plan.—
19	(A) Preparation.—The entity agrees to
20	complete a heritage plan.
21	(B) Contents of the heritage
22	PLAN.—Each heritage plan prepared pursuant
23	to this section shall present comprehensive rec-
24	ommendations for the conservation, funding,
25	management, and development of a national

- heritage area and of the historical, cultural, and natural resources and the recreational and educational opportunities of the area, in a manner consistent with the economic viability of the area. Each such heritage plan shall also include a program for implementation of the heritage plan by the local coordinating entity and specific commitments for the first 5 years of operation of the heritage plan.
 - (2) Consideration of interests of local groups.—The entity agrees to consider the interests of diverse units of government, businesses, tourism officials, private property owners, and nonprofit groups within the geographic area in developing and implementing the Heritage Plan for the area.
 - (3) Public Meetings.—The entity agrees to conduct public meetings at least annually regarding the implementation of the Heritage Plan for the area. The local coordinating entity shall place a notice of each such meeting in a newspaper of general circulation in the area and shall make the minutes of the meeting available to the public.

(h) Private Property Protection.—

(1) Access to private property.—No provision of this section shall be construed to require any

- 1 private property owner to permit public access (or 2 Federal, State, or local government access) to such 3 private property. No provision of this section shall be construed to modify any provision of Federal, 5 State, or local law with regard to public access to or 6 use of private lands. Designation of a national herit-7 age area in accordance with this section shall not be 8 deemed to create any liability, or to have any effect 9 on any liability (under any other law), of any private 10 property owner with respect to any persons injured on such private property.
 - (2) Recognition of authority to control LAND USE.—No provision of this section shall be construed to modify any authority of Federal, State, or local governments to regulate land use.
 - PARTICIPATION OF PRIVATE PROPERTY (3)OWNERS IN NATIONAL HERITAGE AREAS.—No provision of this section shall be construed to require any private property owner located within the boundary of any national heritage area to participate in or be associated with any national heritage area.

(i) Savings Provisions.—

(1) Rules, regulations, standards, and PERMIT PROCESSES.—No provision of this section shall be construed to impose any environmental, oc-

- cupational, safety, or other rule, regulation, standard, or permit process that is different from those that would be applicable had a national heritage area not been established.
 - (2) Water and water rights.—No provision of this section shall be construed to authorize or imply the reservation or appropriation of water or water rights.
 - (3) No diminishment of State authority.—No provision of this section shall be construed to diminish the authority of the State containing any national heritage area to manage fish and wildlife, including the regulation of fishing and hunting within the area.
 - (4) SAVINGS PROVISION FOR PREVIOUSLY DES-IGNATED AREAS.—Except as specified in subsection (1), no provision of this section shall be construed to expand or diminish any authority contained in any law that designates, before the date of the enactment of this section, a heritage area or heritage corridor.

(j) Authorization of Appropriations.—

(1) In General.—There is authorized to be appropriated annually for grants made and technical assistance provided under subsection (f) not more

- than \$10,000,000, to remain available until expended.
 - (2) Prohibition on Federal administrative fee.—Funds may be appropriated under this section only for direct transfer by the Secretary to a local coordinating entity or for feasibility studies.
 - (3) LIMITATION ON PERCENT OF COST.—Federal funding provided under this section for any grant with respect to a national heritage area may not exceed 50 percent of the total cost of the activity with respect to which such grant is provided.
 - (4) Limitation on total funding for each national heritage area.—Not more than a total of \$10,000,000 may be made available under this section with respect to each national heritage area.
 - (5) Limitation on annual funding for Each National Heritage area.—Not more than \$1,000,000 may be made available under this section with respect to each national heritage area for any fiscal year.
 - (6) Application of funding limits to existing areas.—
- 23 (A) IN GENERAL.—The aggregate appro-24 priations, under this section and any other Act 25 for any fiscal year beginning after the date of

the enactment of this Act, to the Secretary

(acting through the National Park Service) for
any area designated before such date as a heritage area or heritage corridor may not exceed
the maximum amount which could have been
appropriated with respect to the area or corridor under this section for such fiscal year if
the area or corridor were a national heritage
area designated in accordance with this section.

- (B) APPLICATION OF LIMIT ON TOTAL FUNDING FOR AREA.—For purposes of paragraph (4) (and subparagraph (A) as applied with respect to paragraph (4)), all Federal funding made available (before, on, or after the date of the enactment of this section) by the Secretary (acting through the National Park Service) with respect to a heritage area or heritage corridor described in subparagraph (A) shall be treated as funding made available under this subsection.
- (C) Inclusion in limit on funding under this section.—For purposes of the \$10,000,000 limitation contained in paragraph (1), all amounts appropriated to the Secretary (acting through the National Park Service)

- after the date of the enactment of this Act, under this section or any other Act, for heritage areas and heritage corridors described in subparagraph (A) shall be treated as appropriated under such paragraph.
 - (7) PROHIBITION ON USE OF FUNDS TO SUP-PLEMENT NATIONAL PARK SYSTEM.—No funds authorized to be appropriated under this section may be used to supplement funding or programs at any unit of the National Park System.

(k) Definitions.—For purposes of this section:

- (1) National Heritage area" means a place designated by the Congress where natural, cultural, historic, and recreational resources combine to form a cohesive, nationally distinctive landscape arising from patterns of human activity shaped by geography. These patterns make national heritage areas representative of the national experience through the physical features that remain and the traditions that have evolved in the areas. Continued use of national heritage areas by people whose traditions helped to shape the landscapes enhances their significance.
- (2) Secretary.—The term "Secretary" means the Secretary of the Interior.
