20 the authority of this subsection to furnish assistance in
21 support of programs of nongovernmental organizations,
22 the President shall notify the Committees on Appropria-

1 ticular programs or activities by this or any other Act shall
2 be extended for an additional fiscal year if the Adminis-
3 trator of such agency determines and reports promptly to
4 the Committees on Appropriations that the termination of
5 assistance to a country or a significant change in cir-
6 cumstances makes it unlikely that such earmarked funds

8 *Provided*, That such earmarked funds that are continued
9 available for an additional fiscal year shall be obligated
10 only for the purpose of such earmark.

11 CEILINGS AND EARMARKS

9 (2) Severe pollution problems affecting people
10 in developing countries, and the serious health prob-
11 lems that result from such pollution, can be effec-
12 tively addressed through the application of United
13 States technology.

14 (3) During the next century, developing coun-
15 tries, particularly countries in Asia such as China
16 and India, will dramatically increase their consump-
17 tion of electricity, and low quality coal will be a
18 major source of fuel for power generation.

19 (4) Without the use of modern clean coal tech-
20 nology, the resultant pollution will cause enormous
21 health and environmental problems leading to dimin-
22 ished economic growth in developing countries and,
23 thus, diminished United States exports to those
24 growing markets.

25 (b) STATEMENT OF POLICY.—It is the policy of the
26 United States to promote the export of United States

1 clean coal technology. In furtherance of that policy, the
2 Secretary of State, the Secretary of the Treasury (acting

4 national financial institutions), the Secretary of Energy,
5 and the Administrator of the United States Agency for

11 be considered include reconstruction assistance for the
12 Balkans, activities carried out by the Global Environment

10 amount of funds that the United Nations Population
11 Fund is budgeting for the year in which the report
12 is submitted for a country program in the People's
