

One Hundred Sixth Congress
of the
United States of America

AT THE FIRST SESSION

*Begun and held at the City of Washington on Wednesday,
the sixth day of January, one thousand nine hundred and ninety-nine*

An Act

To provide for education flexibility partnerships.

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled,*

SECTION 1. SHORT TITLE.

This Act may be cited as the “Education Flexibility Partnership Act of 1999”.

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) States differ substantially in demographics, in school governance, and in school finance and funding. The administrative and funding mechanisms that help schools in one State improve may not prove successful in other States.

(2) Although the Elementary and Secondary Education Act of 1965 and other Federal education statutes afford flexibility to State educational agencies and local educational agencies in implementing Federal programs, certain requirements of Federal education statutes or regulations may impede local efforts to reform and improve education.

(3) By granting waivers of certain statutory and regulatory requirements, the Federal Government can remove impediments for local educational agencies in implementing educational reforms and raising the achievement levels of all children.

(4) State educational agencies are closer to local school systems, implement statewide educational reforms with both Federal and State funds, and are responsible for maintaining accountability for local activities consistent with State standards and assessment systems. Therefore, State educational agencies are often in the best position to align waivers of Federal and State requirements with State and local initiatives.

(5) The Education Flexibility Partnership Demonstration Act allows State educational agencies the flexibility to waive certain Federal requirements, along with related State requirements, but allows only 12 States to qualify for such waivers.

(6) Expansion of waiver authority will allow for the waiver of statutory and regulatory requirements that impede implementation of State and local educational improvement plans, or that unnecessarily burden program administration, while maintaining the intent and purposes of affected programs, such as the important focus on improving mathematics and science performance under title II of the Elementary and

Secondary Education Act of 1965 (Dwight D. Eisenhower Professional Development Program), and maintaining such fundamental requirements as those relating to civil rights, educational equity, and accountability.

(7) To achieve the State goals for the education of children in the State, the focus must be on results in raising the achievement of all students, not process.

(i) the eligibility of the State as described in paragraph (2);

(ii) the comprehensiveness and quality of the educational flexibility plan described in subparagraph (A);

(iii) the ability of the educational flexibility plan to ensure accountability for the activities and goals described in such plan;

(iv) the degree to which the State's objectives described in subparagraph (A)(iii)—

(I) are clear and have the ability to be assessed; and

(II) take into account the performance of local educational agencies or schools, and students, particularly those affected by waivers;

(v) the significance of the State statutory or regulatory requirements relating to education that will be waived; and

(vi) the quality of the State educational agency's process for approving applications for waivers of Federal statutory or regulatory requirements as described in paragraph (1)(A) and for monitoring and evaluating the results of such waivers.

(4) LOCAL APPLICATION.—

(A) IN GENERAL.—Each local educational agency or school requesting a waiver of a Federal statutory or regulatory requirement as described in paragraph (1)(A) and any relevant State statutory or regulatory requirement from a State educational agency shall submit an application to the State educational agency at such time, in such manner, and containing such information as the State educational agency may reasonably require. Each such application shall—

(i) indicate each Federal program affected and each statutory or regulatory requirement that will be waived;

(ii) describe the purposes and overall expected results of waiving each such requirement;

(iii) describe, for each school year, specific, measurable, educational goals for each local educational agency or school affected by the proposed waiver, and for the students served by the local educational agency or school who are affected by the waiver;

(iv) explain why the waiver will assist the local educational agency or school in reaching such goals; and

(v) in the case of an application from a local educational agency, describe how the local educational agency will meet the requirements of paragraph (8).

(B) EVALUATION OF APPLICATIONS.—A State educational agency shall evaluate an application submitted

under subparagraph (A) in accordance with the State's educational flexibility plan described in paragraph (3)(A).

(C) APPROVAL.—A State educational agency shall not approve an application for a waiver under this paragraph unless—

(i) the local educational agency or school requesting such waiver has developed a local reform plan that is applicable to such agency or school, respectively;

(ii) the waiver of Federal statutory or regulatory requirements as described in paragraph (1)(A) will assist the local educational agency or school in reaching its educational goals, particularly goals with respect to school and student performance; and

(iii) the State educational agency is satisfied that the underlying purposes of the statutory requirements of each program for which a waiver is granted will continue to be met.

(D) TERMINATION.—The State educational agency shall annually review the performance of any local educational agency or school granted a waiver of Federal statutory or regulatory requirements as described in paragraph (1)(A) in accordance with the evaluation requirement described in paragraph (3)(A)(v), and shall terminate any waiver granted to the local educational agency or school if the State educational agency determines, after notice and an opportunity for a hearing, that the local educational agency or school's performance with respect to meeting the accountability requirement described in paragraph (2)(C) and the goals described in paragraph (4)(A)(iii)—

(i) has been inadequate to justify continuation of such waiver; or

(ii) has decreased for two consecutive years, unless the State educational agency determines that the decrease in performance was justified due to exceptional or uncontrollable circumstances.

(5) OVERSIGHT AND REPORTING.—

(A) OVERSIGHT.—Each State educational agency participating in the educational flexibility program under this section shall annually monitor the activities of local educational agencies and schools receiving waivers under this section.

(B) STATE REPORTS.—

(i) ANNUAL REPORTS.—The State educational agency shall submit to the Secretary an annual report on the results of such oversight and the impact of the waivers on school and student performance.

(ii) PERFORMANCE DATA.—Not later than 2 years after the date a State is designated an Ed-Flex Partnership State, each such State shall include, as part of the State's annual report submitted under clause (i), data demonstrating the degree to which progress has been made toward meeting the State's educational objectives. The data, when applicable, shall include—

(I) information on the total number of waivers granted for Federal and State statutory and regulatory requirements under this section, including

the number of waivers granted for each type of waiver;

(6) DURATION OF FEDERAL WAIVERS.—

(A) IN GENERAL.—The Secretary shall not approve the application of a State educational agency under paragraph (3) for a period exceeding 5 years, except that the Secretary may extend such period if the Secretary determines that such agency's authority to grant waivers—

(i) has been effective in enabling such State or affected local educational agencies or schools to carry out their State or local reform plans and to continue to meet the accountability requirement described in paragraph (2)(C); and

(ii) has improved student performance.

(B) PERFORMANCE REVIEW.—Three years after the date a State is designated an Ed-Flex Partnership State, the Secretary shall review the performance of the State educational agency in granting waivers of Federal statutory or regulatory requirements as described in paragraph (1)(A) and shall terminate such agency's authority to grant such waivers if the Secretary determines, after notice and an opportunity for a hearing, that such agency's performance (including performance with respect to meeting the objectives described in paragraph (3)(A)(iii)) has been inadequate to justify continuation of such authority.

(C) RENEWAL.—In deciding whether to extend a request for a State educational agency's authority to issue waivers under this section, the Secretary shall review the progress of the State educational agency to determine if the State educational agency—

(i) has made progress toward achieving the objectives described in the application submitted pursuant to paragraph (3)(A)(iii); and
